Caustines Notice.

Persons living at a distance should be extremely cautious of whom they order Lottery Tickets or Certificates of packages of Tickets. The country is flooded with bogus and swindling Lotteries. Every inducement is held out to get persons to invest money in them. Capital Prizes of from \$20,000 to \$40,000 to \$40,0 \$100,000 Capital Prizes are offered, tickets \$5. All such, in every instance, are frauds; if money is sent for tickets, it is so much thrown away without the shadow of a chance of getting a prize. Beware of all Lotteries where the Capital Prize is minusually large in comparison to the price of tickets. In every instance where large prizes are offered for a small cost of tickets, put it down as a certain fraud.
