Liver Invigorator. PREPARED BY DR. SANDFORD, COMPOUNDED ENTIRELY FROM GUMS.

It is one of the best purgatives and liver medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and functions well, the power developed. The stomach depends on the healthy proper performance of its functions, when the stomach is at fault, the bowels are at fault, and the whole system of one organ—the Liver—its duty. For the Liver of the proprietor has made it his study, in a practice of more than twenty years, to find some remedy where many derangements to prove that this remedy is at last found, in any person troubled with it, he will give him a bottle, and conviction is certain.

These Gums remove from the system, supplying flow of bile, invigorating food to digest, giving tone and health, removing the cause of radical cure. Billious attacks are prevented, by the Liver Invigorator. One dose after eating stomach and prevent the souring.
