

The Bedford Gazette.

AT HOME AND ABROAD.

Merchand Tailor.—Our friend, LOYER, has on hand some of the finest cloths, cassimers, &c., that can be purchased in the East. Loyer is a man of taste, has had many years' experience in his business, and, therefore, is able to put up clothing neatly as well as durably at low prices. Give him a call.

New Advertisements.—Note the advertisement of Messrs. Oster, Manspacher & Carn, also that of Hon. Wm. P. Schell offering lands for sale, and others in this week's issue.

Distinguished arrivals at the Springs.—Hon. GEORGE SHARWOOD, of Philadelphia, and Hon. SIMON CAMERON, U. S. Senator, are at present sojourning at the Springs. Judge SHARWOOD has many friends here, especially among the Democracy, who always hail his visits with pleasure. As for Mr. CAMERON, we presume he will not complain of a lack of friendship for him in this region, when the organ of his party here, is out for him for President.

The Glorious Fourth was appropriately celebrated by the Bedford Riflemen, on Saturday the 4th inst. The Declaration of Independence was read by R. D. BARCLAY, Esq., and an oration was delivered by JOHN H. FILLER, Esq. We had not the pleasure of witnessing the performances, but have heard but one opinion concerning them and that was that they were decidedly good. The "Riflemen," under the command of Captain Sanson, are a fine company and looked remarkably well on this occasion. The musicians attached to this company can't be beaten in their peculiar line.—We got in just in time to partake of the elegant dinner prepared for the "Riflemen" and citizens generally, by Col. Hafer of the Bedford Hotel, to which as it was our only part in the proceedings of the day, we did patriotic and ample justice. *Sic transit gloria Fourth of July.*

The first "Hop" of the season, came off on Tuesday night last at the Washington Hotel. It is said to have been a very pleasant affair. We were favored with a ticket, for which the Committee have our thanks; but we didn't go, as we don't often "keep late hours" and you know, reader, there is

"No sleep till morn when youth and pleasure meet To chase the glowing hours with flying feet."

A preventive against sun stroke.—Let persons exposed to the hot sun put fresh green leaves in their hats, taken from the shady side of the tree, and as they become warm and dry renew them.

See advertisement of Dr. Sanford's Liver Invigorator, in another column.

TO INVALIDS.

DR. HARDMAN,
ANALYTICAL PHYSICIAN,
AND
Physician for Diseases of the LUNGS,
FORMERLY PHYSICIAN TO THE CINCINNATI MARINE HOSPITAL, AND INVALIDS RETREAT,
Author of "Letters to Invalids" &c.,
Dr. Hardman treats Consumption, Bronchitis, Asthma, Laryngitis, and all diseases of the throat and lungs, by the Inhalation of a carefully selected mixture of medicinal vapors, directly into the bronchial tubes. The great point in the treatment of all human maladies, is to get at the direct cause. All medicines are estimated by their action upon the organ requiring relief. This is the important fact upon which Inhalation is based. If the stomach is diseased, we take medicines directly into the stomach. If the lungs are diseased, breathe or inhale medicated vapors directly into the lungs. Medicines are the antidotes to disease and should be applied to the very seat of the disease. Inhalation is the application of this principle to the treatment of the lungs, for it gives us direct access to those intricate air cells and tubes which lie out of reach of every other means of administering medicines. Inhalation brings the medicine in direct contact with the disease, without the disadvantage of any violent action. Its application is so simple, that it can be employed by the youngest infant or feeblest invalid. It does not derange the stomach, comfort or business of the patient.

THE Liver Invigorator.

PREPARED BY DR. SANFORD,
COMPOUNDED ENTIRELY FROM GUMS,
Is one of the best purgative and liver medicines now before the public, than acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body; and functions well, the powers of the system are fully developed. The dependence on the healthy proper functions when the bowels are at fault, and the whole system of one organ—the Liver—is its duty. For the dis-ease of the proprietors has practice of more than twenty years, to find same remedy where the many derangements to prove that this remedy is a person troubled with of his forms, has but to certain.

One dose after eating, is sufficient to relieve the stomach and prevent the sickening.
Only one dose taken at night, loosens the bowels.
One dose taken after each meal, relieves Sick Headache.
One bottle taken for female obstruction, relieves the disease and makes a permanent cure. The medicine is often repeated is a sure cure for Cholera Morbus or Cholera.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness. One bottle taken at bedtime removes all sallowness or unnatural color from the skin.
One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.
One dose often repeated cures Chronic Diarrhoea, in its worst forms, while Summer and Bowel complaints yield almost to the first dose. One or two doses cures attacks caused by Worms in Children; there is no safer, or more speedy remedy in the world, as it never fails.

One few bottles cures Dropsy, by exciting the abdominal organs.
We take pleasure in recommending this medicine as a preventive for Fever and Ague, Chills and Fevers of a Billious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues. All who use it are giving their money for nothing.
MIX WATER is the SOLTA with the INVIGORATOR, and swallow both together.
THE LIVER INVIGORATOR
Is a scientific medical discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a Diseased Liver.

PRICE ONE DOLLAR PER BOTTLE.

JOY TO THE ADMIRERS OF A FINE HEAD OF RICH GLOSSY HAIR.

Talk of beauty, and it cannot exist without a fine head of hair. Read the following, and if you ask more, see circular around each bottle, and no one can doubt.
Professor Wood's Hair Restorative.—We call the attention of all, old and young, to this wonderful preparation, which turns back to its original color, gray hair—covers the dandruff, itching, and all untoward eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call for upon the bald, the grey, or thinning scalp, to use it; and surely the young will not, as they value the flowing locks, or the witching curl, ever be without it. Its raspe is upon the tongue of thousands.

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since:
DEER RIVER, Conn, July 23, 1858.
Mr. Levenworth—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair together, I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the 1st of April last, and purchased one bottle to try it, and I found to my satisfaction it was the thing, it removed the scurf and new hair began to grow; it is now two or three inches in length where it was all gone. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as any of the kind is used in this place, you may have a market for many bottles after it is known here. Yours with respect,
RUFUS PRATT.

PHILA., Sept. 9, 1857.
Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—in fact had. I have used but two half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation I can induce many others to try it.
Yours respectfully,
D. R. THOMAS, M. D.
