### MARYLAND STATE LOTTERIES.

#### R. FRANCE & CO., MANAGERS.

#### Caution Notice.

Persons living at a distance should be extremely cautious of whom they order Lottery Tickets or Certificates of packages of Tickets. The country is flooded with bogus and swindling Lotteries. Every inducement is held out to get persons to invest money in them. Capital Prizes of from \$20,000 to \$100,000 and their shares—sixty tickets at One Dollar, \$100,000 Capital Prizes are offered, tickets \$5. All such, in every instance, are frauds; if money is sent for tickets, it is so much thrown away without the shadow of a chance of getting a prize. Beware of all Lotteries where the Capital Prize is unusually large in comparison to the price of tickets. In every instance where large prizes are offered for a small cost of tickets, put it down as a certain fraud.

The Kentucky State Lottery for the benefit of the Shelby College, under our management, is the only Lottery in the United States which is legally decided by the Maryland drawings; all other Lotteries which purport to be decided by the Maryland Drawings, are frauds.

### THE MARYLAND STATE LOTTERIES.

Purchase in the Maryland State Lotteries, then you are sure of being right. And in ordering the Maryland Lotteries, you are sure of honest and fair drawings.

One thing look to, and that is, if you order from any licensed vender in Baltimore, do not receive any but Managers' tickets and Managers' Printed Certificates of Packages. The Managers' Certificates have the number printed, and have the lithographed signature of R. France & Co.  
No one has a right to send his individual certificates, and if he does it, be sure there is a fraud at the bottom of it.

R. FRANCE & CO.,  
Managers of Maryland State Lotteries.
