Professor Wood's Hair Restorative. - We call the attention of all, old and young, to this word-derful preparation, which turns back to its original color, gray hair-covers the head of the bald with a color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a centinual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call then upon the bald, the grey, or diseased in scalp, to use it; and surely the young will not, as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the bargare of thousands.

Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—in fact had. I have used but two half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. Fliave fried other preparations without any benefit whatever. I think from my own personal recommendation I can induce many others to try it. Yours respectfully, D. R. THOMAS, M. D.

an extensive Clothing Establishment, where he will always be found with a large and well selected stock of gentlemen, and boys' clothing. From his long experience in the business, he flatters himself that he cannot be surpassed, either in his facilities for purchasing clothing at a low figure, or of selling them ower than any other store within 150 miles of this place.

Prof. O. J. Wood: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—that I have, for several years, been in the habit of using, other Hair Restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance; and all this, without discolor. youthful color and texture, giving it a hearthy, soft and glossy appearance; and all this, without discoloring the hands that apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desirous of having a fine color and texture every one desirous of naving a nile to hair.

Respectfully yours,

WILSON KING.
