Ayer's Sarsaparilla,

A compound remedy, in which we have labored to produce the most efficient alternative that can be made. It is a concentrated extract of the Sarsaparilla, so combined with other substances of greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy was wanted by those who suffer from Strumous complaints, and that one which will accomplish the cure of the most inveterate of these diseases. How completely this compound will do it has been proved by experiment on many of the worst cases to be found of the following complaints:
SCROFULA AND SCROFULOUS COMPLAINTS, ERICTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISORERS, DRUPY, NEURALGIA OR TIC DOLoureux, DERMATITIS, DYSPERISIA AND INDURATIONS, ENLARGED LANS, RUSS OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.
This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which collect in the blood at that season of the year. By the timely expulsion of these many ranking disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruption, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it obstructed and sluggish in the system; cleanse it when it is the cause of itching and other skin diseases; and your feelings will tell you when. Even where no particular disorder is felt, one enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this purification of the blood, there can be no lasting health. Sooner or later something must be wrong, and the great machinery of life is deranged or overturned.
Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by the preparations, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.
During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful diseases are frequently contracted by the use of various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the odium of imposture which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottles.

Ayer's Cherry Pectoral

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recite the evidence of its virtues, wherever it has been employed. As it has been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it is well known to do for their relief all that has ever been found to do.
