LADIES' FANCY STORE.

HAVE just opened their new Store in "An-derson's Row" of buildings, nearly opposite the Guzette Office.

Their stock of Boots and Shoes for men, women and children, is certainly the best and for three masons.

First :- On account of the pressure of the times, they have been laid in at 3) cents on the dollar less than what was paid last year for the same goods.

S-cond :- They were bought for CASH, and the usual discounts made. Third :- They were bought in much larger

quantities than dry goods merchants buy them, and consequently were bought much lower. If this is doubted, the evidence is on the stand at the counter.
