TO INVALIDS.—*DR. HARDMAN*—ANALYTICAL PHYSICIAN AND Physician for Diseases of the LUNGS, FORMERLY PHYSICIAN TO THE CINCINNATI MARINE HOSPITAL, AND INVALIDS RETREAT,

Author of "Letters to Invalids,"
Editor of the "Medical Stethoscope," &c.,
MAY BE CONSULTED AT BEDFORD, PA.,
"WASHINGTON HOUSE,"
WEDNESDAY, DECEMBER 22d 1858.
SOMERSET, "Glade Hotel," DEC. 20th.
CUMBERLAND, "St. Nicholas," DEC. 17th

Dr. Hardman treats Consumption, Bronchitis, Asthma, Laryngitis, and all diseases of the throat and lungs, by Medicated Inhalations lately used in the Brompton Hospital, London. The great point in the treatment of all human maladies, is to get at the direct manner. All medicines are estimated by their action upon the organ requiring relief. This is the important fact upon which Inhalation is based. If the stomach is diseased we take medicines directly into the stomach. If the lungs are diseased, breathe or inhale medicated vapors directly into the lungs. Medicines are the antidotes to disease and should be applied to the very seat of the disease. Inhalation is the application of this principle to the treatment of the lungs, for it gives us direct access to those intricate air cells and tubes which lie out of reach of every other means of administering medicines. Inhalation brings the medicine in direct contact with the disease, without the disadvantage of any violent action. Its application is so simple, that it can be employed by the youngest infant or feebliest invalid. It does not derange the stomach, comfort or business of the patient.

OTHER DISEASES TREATED.—In relation to the following diseases, either when complicated with Lung affections or existing alone, I also invite consultation. I usually find them *promptly curable*.

Palpapus and all other forms of female complaints, Irregularities and Weakness.

Palpitation and all other forms of Heart Diseases, Liver Complaints, Dyspepsia, and all other diseases of the Stomach and Bowels, Piles, &c. &c.

All diseases of the eye and ear. Neuralgia, Epilepsy, and all forms of nervous disease.

S. D. HARDMAN, M. D.

No charge for consultation.

DR. W. H. WITMOR, OF LANCASTER (formerly of Philadelphia,) where he has been in successful practice for a number of years, received his education at the best Medical College in the U. States and had the experience and practice in the different Hospitals for several years, a member of the Analytical Medical Institute of N. York, and late Medical Surgeon of the United States Navy, now offers himself to the public to attend any professional calls.

The purest medicines always on hand direct from the best Laboratories of our country, and the Botanical Gardens of the world. No patent medicines prescribed or recommended. Medicines used only which will not break down the constitution, but will renovate the system from all injuries it has sustained from mineral medicines. Chronic and difficult diseases must be treated upon analytical principles, which is to know and ascertain what disease is. Its nature and character require a knowledge of the chemical constituents of every solid and fluid of the human body; the changes those solid and fluids are capable of undergoing. To know what medicines to employ to cure diseases, requires a knowledge of the chemical constituents of all articles employed in medicine; and if we are in possession of this knowledge, it is possible to cure any disease—no matter of how long standing—and leave the patient in a healthy and perfectly cured condition.

Melancholy, Aberration, or that state of alienation and weakness of the mind which renders persons incapable of enjoying the pleasures or performing the duties of life; Dyspepsia, that distressing disease and fell destroyer of health and happiness, undermining the constitution, and yearly carrying thousands to untimely graves, can most emphatically be cured. Rheumatism, in any form or condition, chronic or acute, warranted curable; Epilepsy or falling sickness; all chronic and stubborn diseases of Females radically removed. Salt Rheum, and every description of ulcerations; Piles and Scrofulous Diseases, which have baffled all previous medical skill can be cured by my treatment, when the constitution is not exhausted.

I do say all diseases (yes, *Consumption*) can be cured.

☞*CANCER CURED* without the knife.

I will remain in my office on Wednesdays and Saturdays, from 9 o'clock A. M. to 3 P. M., to accommodate patients from a distance, and consult in the English and German languages. Will make visits to any distance if required. May be addressed by letter. Fulton square, Lancaster city, Pa.

THE

Liver Invigorator

PREPARED BY DR. SANFORD,

COMPOUNDED ENTIRELY FROM GUMS,

Is one of the best purgative and liver medicines now before the public, that acts as a *Cathartic*, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body; and when it performs its functions well, the powers of the system are full ly developed. The stomach is also entirely dependent on the healthy action of the Liver for the proper performance of its functions; when the stomach is at fault, and the whole system suffers in consequence of one organ—the *Liver* being at fault, the bowels are at fault, its duty. For the disregard of the proprietors has practice of more than one remedy wherein is found, and new hair began to grow; it is many derangements to now two or three inches in length where it was all To prove that this re- off. I have great faith in it. I wish you to send me any person troubled with two bottles more by Mr. Post, the bearer of this.—of its forms, has but to I don't know as any of the kind is used in this try it, and I found to my satisfaction it was the thing, it re- place, you may have a market for many bottles after moved the scurf and new hair began to grow; it is it is known here. Yours with respect,

RUFUS PRATT.

PHILA., Sept., 9, 1857.

Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—in fact had. I have used but two half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. It sold, possession given this Fall. NICHOLAS KEGG. I have tried other preparations without any benefit whatever. I think from my own personal recommendation I can induce many others to try it.

Yours respectfully, D. R. THOMAS, M. D.

Prof. O. J. Wood: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—that I have, for several years, been in the habit of using other Hair Restoratives and that I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance; and all this, without discoloring the hands that apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully yours,

WILSON KING.

JOY TO THE ADMIRERS OF A FINE HEAD OF RICH GLOSSY HAIR.

Talk of beauty, and it cannot exist without a fine head of hair, then read the following, and if you ask more, see circular around each bottle, and no one can doubt.

Professor Wood's Hair Restorative.—We call the attention of all, old and young, to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call then upon the bald, the grey, or diseased in scalp, to use it; and surely the young will not, as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of thousands.

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since:

DEER RIVER, CON., July 23, 1858.

Mr. Levenworth—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair together, I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the 1st of April last, and purchased one bottle to try it, and I found to my satisfaction it was the thing, it removed the scurf and new hair began to grow; it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this.—I don't know as any of the kind is used in this place, you may have a market for many bottles after it is known here. Yours with respect,

RUFUS PRATT.
