SHOE STORE! Ferguson & Co. HAVE just opened their new store in "Anderson's Row" of buildings, nearly opposite the Gazette Office. Their stock of Boots and Shoes for men, women and children, is certainly the best and cheapest that has ever been brought to Bedford, for three reasons. First:—On account of the pressure of the times, they have been laid in at 30 cents on the dollar less than what was paid last year for the same goods. Second:—They were bought for CASH, and the usual discounts made. Third:—They were bought in much larger quantities than dry goods merchants buy them, and consequently were bought much lower. If this is doubted, the evidence is on the stand at the counter. LADIES' DEPARTMENT. The store room has been so arranged as to have a separate apartment for the Ladies, provided with comfortable chairs and stools where they can sit and talk, or buy shoes as they please. Pickles and Fruits. In connection with the shoe business, all kinds of Pickles, Fruits and Preserves will be kept, including Pine Apple, Peach, Strawberries, Cherries, Brandy Prunes, Catsups, Mixed Pickles, Lobsters, &c., &c. ALSO. The best, and most general assortment of Tobacco and Cigars, will be kept constantly on hand. As there is no store of this kind kept in this county, the proprietors are determined to keep it right, and sell at the lowest living prices. A. FERGUSON & CO. Spectacles! The subscriber has just received a splendid variety of Gold, Silver Mounted, and Steel Spectacles, with the finest Scotch Pebbles, superior in clearness, and designed to suit persons of all ages—warranted never to FAIL—to which he invites the attention of all who are in need of the article. He has also just received an elegant assortment of JEWELRY—all of which he will sell on reasonable terms. DANIEL BORDER. Bedford, May 22, 1857. NOTICE. GEO. B. AMICK, surviving partner of the late firm of Geo. B. Amick & Bro., notifies all persons interested, that the Books and firm are now in his hands for settlement, and that circumstances demand an immediate closing up of the business of said firm. Scrofula, or King's Evil, is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. It originates in the system, and is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by venereal infection. What ever be its origin it is hereditary in the constitution, descending "from parents to children under the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." Its effects are manifested by position, the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which renders the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause. One quarter of all our people are scrofulous; their organs are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

FOR ALL THE PURPOSES OF A FAMILY PHYSIC, Compound Extract of Sarsaparilla, the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedies that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from an impure blood, such as ERYTHRAEMIA, SKIN DISEASES, ST. ANTHONY'S FIRE, ROSA, OR ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS AND BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, PRURITUS, SPITTING OF BLOOD, GONORRHOEA, GLEET, DYSPESIA, DYSURIA, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "impurity of the blood" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills, FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy functions. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health so rapidly restored by a remedy at once so simple and inviting. Not only do they cure the everyday complaints of every body, but also many formidable and dangerous diseases of the most obstinate nature. It is pleasing to furnish gratis by American Almanac, containing certificates of their cures and directions for their use in the following complaints: Costiveness, Headache, Dropsy, Straining from diarrhoea, Indigestion, Inflammation, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Whooping Cough, and other Affections of the Throat, and for the relief of Consumptive Patients in advanced stages of the disease. So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of the country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs, and whose lives have been saved by its superiority over every other medicine of its kind; it is so apparent to escape observation, and where its virtues are known, the public no longer hesitate what medicine to employ for their distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has proved itself by every trial to be the most efficacious of the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten. PREPARED BY DR. J. C. AYER & CO. LOWELL, MASS. SOLD BY Doctors Reamer and Harry, Bedford, Pa. July 30, '58.—1y. Samuel Ketterman, COUNTY SURVEYOR.
