ITHE LIVER INVIGORATOR

Is a scientific medical discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dys pepsia to a common Headache, all of which are the result of a Diseased Liver. Professor Wood's Hair Restorative .- We call the attention of all, old and young, to this won-derful preparation, which turns back to its original color, gray hair-covers the head of the bald with luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a centinual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call then upon the bald, the grey, or diseased in scalp, to use it; and surely the young will

Mr. Levenworth—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair together, I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the ist of April last, and purchased one bottle to try it, and I found to my satisfaction it was the thing, it removed the scurf and new hair began to grow; it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this.—I don't know as any of the kind is used in this N. B. Country milliners can be supplied with all I don't know as any of the kind is used in this place, you may have a market for many bottles after it is known here. Yours with sespect, RUFUS PRATT.

PHILA., Sept., 9, 1857.
Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—in fact had. I have used but two half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation 1 can induce many others to try it.

Yours respectfully, D. R. THOMAS, M. D. No. 464 Vine street. VINCERNES, IA., June 22, 1856. Prof. O. J. Wood: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—that

that I have used it and known others to use it—that I have, for several years, been in the habit of using, other Hair Restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance; and all this, without discoloring the hands that apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully yours.

Respectfully yours, WILSON KING.
