> THE Liver Invigorator.

PREPARED BY DR. SANDFORD, COMPOUNDED ENTIRELY FROM GUMS. Is one of the lest purgative and liver medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experenced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strenthen and build it up with unusual rapid.

The Liver is one of the the abutun body; and when it performs its tincions well, the powers of the system are fulach is almost entirely delegated to the bronger performance the stomach is at fault, and the whole system of one organ—the Liver — having ceased to do sep 3, 1858-1y

Professor Wood's Hair Restorative. - We call the attention of all, old and young, to this won-derful preparation, which turns back to its original color, gray hair-covers the head of the hald with color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a centinual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call then upon the bald, the grey, or discassed in scalar to use it is not surgely the years will diseased in scalp, to use it; and surely the young will not, as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue

of thousands. The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since:

DEEP RIVER, Con., July 23, 1858.

Mr. Levenworth—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair tog I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the 1st of April last, and purchased one bottle to try it, and I found to my satisfaction it was the thing, it removed the scurf and new hair began to grow; it is now two or three inches in length where it was all off. I have great faith in it. I wish you to contain off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this.—

Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—in fact had. I have used but two half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. from my own personal recommendation I can induce many others to try it.

Yours respectfully, D. R. THOMAS, M. D. No. 464 Vine street. Vincenses, IA., June 22, 1856. Prof. O. J. Wood: As you are about to manufact-ure and vend your recently discovered Hair Restora-tive, I will state, for whomsoever it may concern, that I have used it and known others to use it-that I have, for several years, been in the habit of using, other Hair Restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses
the head of dandruff, and with one month's proper
use will restore any person's bair to the original
youthful color and texture, giving it a healthy, soft
and glossy appearance; and all this, without discolor
ing the hands that apply it, or the dress on which
it drops. I would, therefore, recommend its use to
every one desirous of having a fine color and texture
to hair.

Respectfully yours, WILSON KING: to bair. O. J. WOOD & Co., 212 Broadway, New York (in the great New York Wire Railing Establisment, and 114 Market street, St. Louis, M.,
