Rat, and Micetrops, Spec. Shovel, fork and are handles, Brushes. Variety. Brushes, Variety, Nails, Glass and Putty, Fluid, Pine oil and Amentine, Double and Single Bit axe nife cleaners, an excellent article, Britannia ware, Brass, porcelained and tin hined Kettles, Natent and common Sad Irons, Shoemakers tools and findings, Screen wire, Chain Pumps, Corn Shellers, Com Fodder Cutters and crushers, Corn mills, Glass Lanterns,

Oil for Harness and Machinery, Paints, oils, and varnish, Iron and Steel of all de scriptions, Wall Paper and hundreds of other arti-

He respectfully invites the patronage of the citi- of all sorts from the finest China to the cheapest zens of this and adjoining counties, feeling confi-dent that he can satisfy them in the price and quali-

ty of his goods. Remember, things sold by him are *warranted* as *represented* so that none can be deceived; and any ar-ticle not in his line not on hand will be furnished at A days notice cheerfully at Eastern retail price.
N. B. Believing that the present credit system is

disadvantageous to every body, he will trust no man longer than 6 months, but will sell *cheaper for cash* than goods of like quality have ever been bought in Bedford. Call and examine his stock, judge for your-self, and we think you will be pleased with the goods, the prices and the system. He keeps on hand, or will cheerfully furnish every

thing needed in this county and brought from the East, excepting only dry goods and groceries. March, 26, 1858.

Scrofula, or King's Evil, is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrodu-lous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, fith and filthy habits, the depressing views, and, above all, by the venereal infection. What-ever be its origin, it is hereditary in the constitu-tion, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the integrities of the fathers upon their children." Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the blood of corrupt or ulcerous matter, which, in the blood of a strong set of the fathers upon their children." Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the blood of a strong set the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; con-sequently, vast numbers perish by disorders which, althour bard set are falsed in a strong which

sequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rei-dered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamin-tion; and many destructive diseases of the live, kidneys, brain, and, indeed, of all the organs, arise

from or are aggravated by the same cause. One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleane it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S

Compound Extract of Sarsaparilla, the most effectual remedy which the medical skill of our times can devise for this every where pre-vailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other and control of the only scientific theorem of the control of the only scientific terms of the science of the sc DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED ON IMPUTE BLOOD. The popular belief in "impurity of the blood." is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsopa-rilla is to purify and regenerate this vital fluid, without which sound health is impossible in con-teminated constitutions. taminated constitutions

Ayer's Cathartic Pills, FOR ALL THE PURPOSES OF A FAMILY PHYSIC,

are so composed that disease within the range of the action can rarely withstand or evade them. Their per etrating properties scarch, and cleanse, and invigorat every portion of the human organism, correcting it diseased action, and restoring its healthy vitalities. A nowed down with pain or physical debility is astonished of find his health or energy restored by a remedy at noce so simple and inviting. Not only do they cure the every-day complaints of

very body, but also many formidable and dang iseases.
