Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which the fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by malarial disease, low living, disordered or unhealthy food, impure air, fifth and filthy habits, the depressing virus, and, above all, by the venereal infection. "Whatever be its origin, it is hereditary in the constitution, descending from parents to children under the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquity of the fathers upon their children."
Its effects consist by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause. Their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S

Compound Extract of Sarsaparilla,
the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERYSIPELIS AND SKIN DISEASES, ST. ANTHONY'S FIRE, ROSA, OR EXANTHEMA, PUPULES, PUSTULES, BLOTCHES, BLAINS AND BOILS, TUMORS, TETTER AND SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYLITIC AND MERCURIAL DISEASES, DYSPEPSIA, DEBRILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIALIZED OR IMPURE BLOOD. The popular belief in "impurity of the blood" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSICIAN, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, restoring its healthy vitality. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and so effectual.
Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis his American Almanac, containing certificates of their cures and directions for their use in the following complaints: *Constipation, Headaches, Rheumatic, arising from the liver, Stomach, and Bowels, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions.*

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incessant Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.
So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of the country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have proved to be delusions, this has gained friends by every trial, conferred benefits on afflicted friends who can never forget, and produced cures too numerous and too remarkable to be forgotten.

SHOE STORE!

Ferguson & Co.,
HAVE just opened their new Store in "Anderson's Row" of buildings, nearly opposite the Gazette Office.

Their stock of Boots and Shoes for men, women and children, is certainly the best and cheapest that has ever been brought to Bedford, for three reasons.

First:—On account of the pressure of the times, they have been laid in at 30 cents on the dollar less than what was paid last year for the same goods.

Second:—They were bought for CASH, and the usual discounts made.

Third:—They were bought in much larger quantities than dry goods merchants buy them, and consequently were bought much lower.

If this is doubted, the evidence is on the stamp at the counter.

LADIES' DEPARTMENT.

The store room has been so arranged as to have a separate apartment for the Ladies, provided with comfortable chairs and stools where they can sit and talk, or buy shoes as they please.

Pickles and Fruits.
