Nycum's Improved CAST-IRON CARRIAGE HUB.

MHE undersigned believes that he has invented a cast iron carriage bub which far excels all othes now in use, for strength, neatness and durability, and that it only needs to be examined, and its mer and that it only needs to be examined, and its mer-its tested; to secure its universal approval and a-doption. Indeed it is no longer an experiment, it having been effectually tried by the best judges in our country, and pronounced one of the Greatest Improvements of the Age!

Several vehicles have been in use over two years with the Improved Hub attached, and the wheels are still as perfect as when they left the shop, the mavoidable wear excepted.

This is the only Cast Iron Hub ever invented suitable for light wheels.

This imprevement is of such a nature that one or more spokes may be taken out changed or replaced without disturbing the other portion of the wheel. were all preserved perfectly. And well they may be called Champion, for during the whole conflagration there was one incessant pouring the whole where must be then recomposed, the tire rewelded and reset. All this involves a considerable expense

and loss of time.

In the present Improvement the inner ends of the spokes are secured in an Iron Hub, which consists mainly of two shells fastened together with screws. By simply unscrewing the nuts and taking off the back shell, any one of the spokes may be removed or changed, and the hub again put together, leaving the wheel as solid and firm as ever, all

WITHIN THE SPACE OF A FEW MINUTES.

This method of constructing Iron Hub Wheels

gives them unu-val strength, LIGHTNESS AND NEATNESS besides obviating several other objections that have heretofore attended their use. The cost of manu-

facture is also greatly reduced.

Beaford, Jan. 21, 1859 .-Ayer's Sarsaparilla,

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective greater alterative power as to allord an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on the service of the serv pound will do it has been proven by experiment on many of the worst cases to be found of the follow-

ing complaints: -Scrofula and Scrofulous Complaints, Erup-SCHOFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, STPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULDUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great property.

of the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul cruptions themselves from the endurance of foul cruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse cut the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever its foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it contrain but little of the virtue of Sarsaparille. it, contain but little of the virtue of Sarsaparilla, or

any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the various extracts of Sarsaparilla which flood the market, until the name itself is justly nespised, and has a come synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

DR. J. C. AYER & CO. LOWELL, MASS. Price, \$1 per Bottle; Six Bottles for \$5.

been in constant use inroughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.
