BLACK REPUBLICAN STATE CON-

VENTION. Under the demagogical nom de guerre of "People's Party," the Abolition Republicans of this State, met in Convention at Harrisburg, on Wednesday of last week, for the purpose of making their initiatory arrangements for the coming campaign. The result of their labors, was the nomination of Thomas E. Cochran, of York, for Auditor General, and Wm. H. Keim, of Berks, for Surveyor General. These nominageographically as well as personally. The two candidates are from the same section of the State and too far removed from the strongholds of the must look for their majorities. It is, therefore, quite reasonable to suppose that Messrs. Cochran and Keim will not be able to bring out the Pennsylvania as one of the most inconsistent uninsured. the "Union State Ticket" in 1856, and as year. one of the men for whose benefit their own leaders declared they were sold "like sheep in the shambles." Next to JORDAN, Cochran is the weakest of all the candidates whose names were before the Convention for Auditor General. As to the nominee for Surveyor General, his only recommendation to the Convention, was the fact that he was elected to Congress from Berks, through a division of the Democracy in that district. He was chosen, not because he had any claims upon his party-not because of any superior ability, or merit-but simply because he was deemed an available man. In his nomination the Convention threw aside all governed entirely by motives of expediency. Our opponents will find that their truckling to old Berks, will be indignantly spurned by the Democracy of that county, and that their hopes of maintaining a foothold in that ancient Democratic Gibraltar, are groundless and illusory. We are glad that Keim has been nominated. The people of Berks county and of Pennsylvania, know his antecedents, and the fact that they do, ought to be sufficient to sink him "deeper than plummet ever sounded."-In conclusion, we assure our Democratic friends that the Opposition could not have done better for us than they have in nominating Cochran and Keim. An easy victory awaits us at the coming election, if we all do our duty. Let

DEMOCRATIC COUNTY CONVENTION .

The responsibilites which devolve upon the Democratic County Convention, called to meet on Tuesday next, are highly important, but we doubt not the Convention will meet them in the proper spirit. OPPOSITION HARMONICS.

What a remarkably harmonious organization s the Opposition to the Democratic party! In Massachusetts its adherents are Free Trade men and in favor of the distranchisement of tend naturalized citizens. In Pennsylvania they pretend to be Tariff men and ignore the Massachusetts "Two Years Amendiment." In Ohio they are anti-Fugitive Slave Law men and opposed to the peculiar doctrine of their Massachusetts brethren. In New York they are Abolitionists of the deepest dye, and in Virginia they vote for a slave-holder for Governor. In Illinois they are opposed to the Hon. D. M. Barringer, as follows :encroachments of the "slave power," and in Kentucky they insist that Congress must establish a slave code for the Territories .-How consistent! how harmonious!

The report of the Military elections, published in our paper of last week, turns out to have been incorrect as to one of the offices. Wm. Dibert, of Bloody Run, is elected Major, instead of B. F. DIED:

On Monday, the 6th inst., Mrs. Francis Gilson, wife of Alex. Gilson, near Bedford, in the 48th

rear of her age.

In the decease of this estimable woman, there was a complete triumph of Christian faith. Death was not terrible to her—the grave presented no gloom to her mind. "Christ died," was her language, "He laid in the tomb; he sanctified the bed; he arose and triumphed; so all his followers shall arise and triumph over death and the grave."

Mrs. Gilson was a Christian before she took sick; her Christianity was not a death-bed repentance, brought about by the necessity of circumstances; but brought about by the necessity of circumstances; but she was a humble professor for years previous, and an exemplary member of the German Reformed Church. The day before her departure, on being asked if she had any word to leave for her pastor, who was absent, she said, "Tell him I die strong in the faith." How highly esteemed are such church members, and how hard to part with them!" She has left a bereaved husband and six children to imitate her Christian example. She enjoyed the pleater tate her Christian example. She enjoyed the pleasure, whilst living, of seeing three of her children, also enter into covenant relation with God through Christ, in the solemn rite of confirmation; and two of the three only a few weeks before her death. Her bereaved family and relations have much com-fort in the consolatory reflection, that "Their loss is her gain.'
