DISEASES OF THE LIVER.

When the celebrated Dr. Rush declared that drunkenness was a disease, he ennobled a truth which the experience and observation of medical men is every day confirming. The many insane excesses of those who indulge in the use of spirituous liquors, may be thus accounted for. The true cause of conduct, which is taken for intemperance, is very frequently a diseased state of the Liver. No organ in the human system, when deranged, produces a more frightful catalogue of diseases. And if, instead of applying remedies to the manifestations of disease, as is too often the case, physicians would prescribe with a view to the original cause, fewer deaths would result from diseases induced by a diseased state of the Liver. Three-fourths of the diseases enumerated under the head of Consumption, have their seat in a diseased Liver. Dr. M'Lane's celebrated Liver Pills, prepared by Fleming Bros., are a certain cure.

Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED LIVER PILLS, manufactured by FLEMING BROS., of PETERSBURG, PA. There are other Pills purporting to be Liver Pills, now before the public, Dr. M'Lane's genuine Liver Pills also his celebrated Vermifuge, can be obtained at all respectable drug stores. None genuine without the signature of FLEMING BROS.

A VOICE FROM VIRGINIA.

Dr. Seth S. Hance—I was in Baltimore in April 1854, and from a paper I received of yours was induced to buy a box of your Pills, recommended as a sovereign cure for epileptic fits. At that time one of my servants had been afflicted with fits about 12 years. When reaching home, I commenced with the pills according to directions. I do not think she has had one since. My wife, though, is somewhat indisposed to believe she may have had one only. Enclosed you will find five dollars, for which you will please forward me two boxes. My compliance will oblige me. Yours respectfully, M. S. STANSON.

Dr. Hance's Epileptic Pills are also sovereign remedy for every modification of nervous diseases. The nervous sufferer, whether tormented by the acute, physical agony of neuralgia, tiephalax, or ordinary headache, afflicted with vertigo, weakened by periodical fits, threatened with paralysis, borne down and dispirited by that terrible lassitude which proceeds from a lack of nervous energy, or unnatural condition of the wonderful machinery which connects every member with the source of sensation, and thought—derives immediate benefit from the use of those pills, which at once calm, invigorate, and regulate the shattered nervous organization.

Sent to any part of the country by mail, free of postage. Address Seth S. Hance, 108 Baltimore street, Baltimore, Md. Price, one box, \$3; two, \$5; three, \$7.
