The heat became so suddenly intense that none of the goods could possibly be saved; but fortunately his books and paper which were in one of your Champion Safes. were all preserved perfectly. And well they may be called Champion, for during the whole conflagration there was one incessant pouring of flame directly upon the sale which contain-ed them. And still, upon opening it, the in-side was found to be scarcely warm, while the outside was most severely scorched.

Outside was most severely scorched.
