WORMS.

BY As this is the season of the year when worm are most formidable among children, the proprietors of M'Lane's Vermifuge. Fleming Bros., of Pitsburgh, beg leave to call the attention of parents to its virtues for the expelling of these annoying, and often fatal enemies of children. It was invented by a physician of great experience in Virginia, who, after having used it for several years in his own practice, and found its success so universal, was induced at last to offer it to the public as a cheap but certain and excellent medicine. It has since become justly popular throughout the United States, as the most efficient Vermifuge ever known, and the demand has been steadily on the increase since its first introduction to the public.

Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS., of Pittsburgh, Pa. All other Vermifuges in comparison are worthless. Dr. M'Lane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. None genuine without the signature
