Complying with the urgent request of hundreds of their patients,
DRS. C. M. FITCH & J. W. SIKES,
Have concluded to remain PERMANENTLY IN PITTSBURGH, and may be consulted at their office,
NO. 191 PENN STREET.

Opposite St. Clair Hotel, Daily, except Sundays for Consumption, Asthma, Bronchitis, and all other Chronic Complaints, complicated with or causing pulmonary diseases, including Catarrh, Heart Disease, Affections of the Liver, Dyspepsia, Gastritis, Female Complaints, &c. DRS. FITCH & SIKES, would state that their treatment of Consumption is based upon the fact that the disease exists in the blood and system at large, both before and during its development in the lungs, and they therefore employ Mechanical, Hygienic and Medicinal Inhalations, which they value highly, but only as Palliatives, (having no Curative effect when alone), and Invalids are earnestly cautioned against wasting the precious time of curability on any treatment based upon the plausible, but false idea that the "seat of the disease can be reached in a direct manner by Inhalation," for as before stated, the seat of the disease is in the blood and its effects only in the lungs.
CHARGE FOR CONSULTATION.
A list of questions will be sent to those wishing to Consult by letter. (April, 8, '59-1y)

LATE FIRE IN DUBUQUE, IOWA.
DUBUQUE, Jan. 7, 1859.

GENTS:—I am requested by Mr. T. A. C. Zochrane, of this place, to say to you that on the morning of the 4th instant, about 3 o'clock, his store took fire, and the entire stock of goods was destroyed. The heat became so suddenly intense that none of the goods could possibly be saved; but fortunately his books and papers which were in one of your Champion Safes, were all preserved perfectly. And well they may be called Champion, for during the whole conflagration there was one incessant pouring of flame directly upon the safe which contained them. And still, upon opening it, the inside was found to be scarcely warm, while the outside was most severely scorched.
Yours truly,
