SHIRES & JORDAN. Permanent Office. Complying with the urgent request of hundreds of their patients,

DRS. C. M. FITCH & J. W. SIKES, Have concluded to remain PERMANENTLY IN PITTSBURGH, and may be consulted at their office, NO. 191 PEANUT STREET,

DR. FITCH & SIKES, would state that their treatment of Consumption is based upon the fact that the disease exists in the blood and system at large, both before and during its development in the lungs, and they therefore employ Mechanical, Hygienic and Medical Inhalations, which they value highly, but only as Adjuncts, (having no Curative effect when used alone), and Invalids are earnestly cautioned against trusting the precious time of curability on any treatment based upon the plausible, but false idea that the "seat of the disease can be reached in a direct manner by Inhalation," for as before stated, the seat of the disease is in the blood and its effects only in the lungs.

NO CHARGE FOR CONSULTATION. A list of questions will be sent to those wishing to Consult by letter. (April, 8, '59-ly)
