Permanent Office.
Complying with the urgent request of hundreds of their patients,
DRS. C. M. FITCH & J. W. SIKES, Have concluded to remain PERMANENTLY IN PITTSBURGH, and may be consulted at their office, NO. 191 PENN STREET,
Opposite St. Clair Hotel, Daily, except Sundays for Consumption, Asthma, Bronchitis, and all other Chronic Complaints, complicated with or causing pulmonary diseases, including Catarrh, Heart Disease, Affections of the Liver, Dyspepsia, Gastritis, Female Complaints, &c. DR. FITCH & SIKES, would state that their treatment of Consumption is based upon the fact that the disease exists in the blood and system at large, both before and during its development in the lungs, and therefore employ Mechanical, Hygienic and Medicinal Inhalations, which they value highly, but only as Palliatives, (having no Curative effect when used alone), and Invalids are earnestly cautioned against wasting the precious time of curability on any treatment based upon the plan of the late Dr. T. A. Smith, "the cause of the disease can be reached in a direct manner by Inhalation," for as before stated, the seat of the disease is in the blood and its effects only in the lungs.
CHARGE FOR CONSULTATION.
A list of questions will be sent to those wishing to consult by letter.
