BENEVOLENCE.

We do not think a person can evince a more be nevolent trait of character than being moved at the distress and suffering of others, and furthermore, anxious to do all in their power to alleviate by every possible means human suffering. In this view of the case, we do not know how the humane and benevolent can do an action more in accordance with their philanthropic views, than by calling the attention of their afflicted friends and acquaintances to the fact, that DR. SETH S. HANCE, of 108 Baltimore street, Bal timore, Md., has discovered a preparation, which is put up in the form of a pill, that has a specific action for curing Epilepsy, or falling fits, spasms, cramps, and all forms of nervous dis-seases. Among those who have been permanently cured, we might mention a member of the family of cured, we might mention a member of the family of James H. Beadle, Huntsville, Alabama ; Mr. M. P. ledge, Cavin Point, Surry county, Va., and Mr. W. P. Ligon, Grenada, Mississippi. We might go entirely filled up this column of our paper; but we back-keeping and Commercial calculations 1 50 think we have said sufficient to satisfy every person that the subject under consideration is one of vital Drawing mportance to every one. Reader ! if you are well man or woman, and have no need of a rem dy, perhaps you know some person who is not qually blessed as yourself, if so, cut out this noti and send it to him or her. It will cost you but little trouble, and prebably it will make you instrumental in curing some poor, afflicted mortal of chat dreadtul visitation, Epilepsy, or falling sick-

Dr. Hance sends his pills by mail, free of postage to all parts of the world, on the receipt of a remittance. His prices are : one box, \$3; two, \$5; twelve, \$24. We have given his address above.

New York, August 3, 1852. I do hereby certify that I have been suffering from a pain in my side and breast for a long time, and after trying many remedies came to the conclusion that my liver was affected. I immediately commenced using Dr. M'Lane's Celebrated Liver Pills, prepared by Fleming Bros. of Pittsburgh, and the few that I have taken have already given me more relief than all the other medicines I have taken put together. I wont to a clairvot ant to con-suit him ; after examining mo carefully, he advised me to continue the use of Dr. M'Lane's Pills ; that

HOSTETTER'S STOMACH BITTERS,

The is a fact that, at some period, every mem-ber of the human family is subject to disease of disturbance of the bodily functions; but, with the aid of a good onic and the exercise of plain common sense, hey may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course is pursue is certainly that which will produce a natural state of things at the least hazand of vital strength and life. For this purpese Dr. Hostetter has in-troduced to this country a preparation bearing has habeen tried for years, giving satisfac-tion to all who have used it. The Bitters and liver, restoring hiem to a healthy and objectous action, and thus, by the simple pro-cess of strengthening nature, canble the sys-tem to triamph over desnes.

For the cure of Dystopsia, Indigestion, Nau-sea, Flatulency, Loss of Appetite, or any Billous Compluints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Chilera Morbus, &c., these Bitters have no equal Diarboa, dysource of Statements

Ditters have no equal. Ditters have no equal. Diarthea, dysenterj or flux, so generally con-tracted by new settles, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derargements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottls. For this disease every physician will recommend Bitters of some kind; then why not use an writcle known to be infaldirections on the bottlt. For this disease every physician will recommend Bitters of some kind; then why not use an atticle known to be infal-lible? All mations have their Bitters, as a pre-ventive of disease and strengthener of the sys-tem in general; and among them all there is not to be found a mere healthy people than the Germans, from when this preparation ema-nated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science. FEVER AND ACUE.—This trying and provok-ing disease, which fixes its releations grasp on the body of man, reducing him to a mere sha-dow in a short time; and rendering him phy-sically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as pre directions. And as they neither create nausea nor offend the palate, and render un-necessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is re-moved as speedily as is consistent with the pro-duction of a theorem.

and healthy digestion, the complaint is re-moved as speedily as is consistent with the pro-duction of a thorough and permanent cure. For Persons in Advanced. Years, who are suffering from an infeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indis-pensable, especially where the mother's nour-islment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness. recommend their use in all cases of weakne CAUTION .--- We caution the public against using any of the many imitations or counterfeits, but ask

for HOSTETTER'S CELEBRATED STOMACH DITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap overing the cork, and observe that our autograph signature is on the label.

The Pills, it taken according to the printed instructions, will quickly restore a healthy action to both hiver and stomrch, whence follow as a natural consequence, a good appetite and a clear head.
