HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every mem ber of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has in-troduced to this country a preparation bearing his name, which is not a new medicine, but one his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Billious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic. Cholera Morbus, &c., these Bitters have no equal.

Dysentery, Cohe, Cholera Morbus, &c., these Bitters have no equal.

Diarrhœa, dysentery or flux, so generally contracted by new settlers, and cansed principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive or cans, can be cured without fail by using or arms can be cured without fail by using HO. TETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physic, an will recommend Bitters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a prefible? All nations have their bitters, as a pre-ventive of disease and strengthener of the sys-tem in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation ema-nated, based up on scientific experiments which have tended to prove the value of this great

have tended to prove the value of this great preparation in the scale of medical science. FEVER AND AGUY.—This trying and provok-ing disease, which a xes its relentless grasp on the body of man, rea ucing him to a mere sha-dow in a short time, and rendering him physically and mentally tiseless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the

from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nauses nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but premote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Sitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION .- We caution the public against using any of the many imitations or counterfaits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South

Holloway's Pills.

Nervous Disorders. What is more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? There is one:—drink but little wine, beer, or spirits, or far better none; take no coffee—weak tea being preferable; get all the fresh air you can; take three or four Pills every night; eat plenty of solids, avoiding the use of slops; and if these golden rules are followed, you will be happy in mind and strong in body, and forget you have any nerves.

Mothers and Daughters.

if there is one thing more than another for whick If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never we ken the system, and always bring about what is required.

Sick Headaches and Want of Appe-

These feelings which so sadden us, most frequently arise from annoyances or trouble, from obstructed perspiration, or from eating and drinking what is unfit for us, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomrch, whence follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

Dsorders of the Kidneys,

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the minuted directions, and the Ointerest. ding to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost imme diate relief when all other means have failed.

For Stomachs Cut of Order.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all aci-dity, occasioned either by intemperance or improp-er diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasms—in fact they never fail in curing all disorders of the liver and Stomach.
