## SPECIAL NOTICES WONDERFUL, BUT TRUE.

Juniata Tp.

A few days since, Mr. James H. Beadle, of Huntsville, Alabama called on us and gave us permission to publish for the benefit of suffering humanity, the astonishing cure which had been effected in the case of his wife by the use of Dr. Hance's Vegetable Epileptic Pills. He informed us, that at the time his wife commenced using the medicine, her system was so entirely prostrated, by the number of spasms she had undergone, as to reduce her weight to 190 ibs. Since she has been taking the pills, she has entirely got over the spasms and has gained in weight and bodily health. She now weighs at least 200 ibs., and declares she is in better enjoyment of health than ever before in her life. Mr. Beadle also related the case of Mr. Harrison Lighthoot of the same town, who has been entirely cured of the worst form of Epilepsy by these same pills. Mr. Lightfoot's case was so bad that he never passed a week without having an attack, often falling down in the street. He has not had an attack for more than a year. Mr. Beaule thinks that if the pills ever fait in curing a case, it is for the want of a proper perseverance on the part of the person in taking thems as he feels assured from observation in the case of his wife, that if they are taken for a sufficient length of time, they will cure any case. Sent to length of time, they will cure any case. Sent to length of time, they will cure any case. Sent to length of time, they will cure any case. Sent to length of time, they will cure any case. WORMS! WORMS!

ories have been started relative to the origin fof intestinal worms, and yet the question is still a vexed one among medical authorities. Of one lact, however, all are informed, and in which all agree—the fatal nature of the influence they exert on children. At this season of the year, the attacks of worms are most frequent as well as most dangerous. We take great pleasure in directing the attention of parents to the Vermifuge of Dr. Milane, prepared by Fleming Bros. Pittsburg. It is one of the most extraordinary medicines ever introduced to the public, and has never failed of success when tried.

Depurchasers will be careful to ask for Dr. Milane's Gelebrated Vermifuge, manufactured by Fleming Bros., of Pittsburgh, Pa. All other Vermifuges in comparison are worthless. Dr. Milane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores.—

grating to the extreme south and western country, is the fear they have of the Fever and Ague—the most direful of all diseases. Every day we hear of persons attacked by the disease and made helpless in a shorttime, without any means of affording relief. In view of the great demand for a remedy Dr. Hostetter has presented his celebrated Bitters, whose curative powers for all diseases of the stomach have been universally acknowledged. The Bitters, prepared after a long experience and deep study, have received the encommums of the most eminent physicians, as well as all classes, from every part of our country. To those who doubt their many virtues, all we can say is to try them and judge for themselves respectively.

## HOSTETTERS STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bittern operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulescy, Loss of Appetite, or any Bilious Complaints, spring from a morbid inaction of the Stomach. Bowels, producing Cramps, Burley and Call. Bowels, producing Cramps, Diarrhesa, dyscut-blere, Morbus, &c., these tracted by new settleer flux, so generally by the change of water and caused principally by the change of water and caused principally regulated by a brief use.

by the change of water and caused principally regulated by a brief use their, will be speedily Dyspepsia, a disease which this preparation. prevalent, in all its various probably more other, and the cause of which as, than any be attributed to derangements of thy always organs, can be cured without fail digestive organs, can be cured without fail digestive HOSTETTER'S STOMACH BITTERS, using directions on the bottle. For this disease per physician will recommend Bitters of some kind then why not me a cattal kind. then why not use an article known to be infal-lible? All nations have their Bitters, as a pre-ventive of disease and strengthener of the sysventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

Feven and Acun.—This trying and provoking disease, which fixes its relectices grasp on the body of man, reducing him to a mere show of the man and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the players stated diseases can be contracted, even RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create housen nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Fears, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be apprecised. And to a mother while nursing these Bitters are invited another while nursing these Bitters are invited as inches while nursing these Bitters are invited in the inother's nour-islament is inadequate to the demands of the

ishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostettar's Stomach Bitters, is needed to impart tomporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.
