SPECIAL NOTICES.

SPECIAL NOTICES.

A few days since, Mr. James H. Beadle, of Huntsville, Alabama called on us and gave us permission to publish for the benefit of suffering humanity, the astonishing cure which had been effected in the case of his wife by the use of Dr. Hance's Vegetable Epileptic Pills. He informed us. that at the time his wife commenced using the medicine, her system was so entirely prostrated, by the number of spasms she had undergone, as to reduce her weight to 100 lbs. Since she has been taking themills, she has entirely got over the spasms and has gained in weight and boday health. She now weighs at least 200 lbs., and declares she is in better exjoyment of health than dever before in her life. Mr. Beadle also related the case of Mr. Harrison Lightfoot of the same town, who has been entirely cured of the worst form of Epilepsy by these same pills. Mr. Lightfoot's case was so Lad that he never passed a week without having an attack, often falling down in the street. He has not had an attack for more than a year. Mr. Beadle thinks that if the pills ever fail in curing a case, it is for the want of a proper perseverance on the part of the person in taking them, say he feels assured from observation in the case of his wife, that if they are taken for a sufficient dany part of the country by mail, on the receipt of a remittance. Hostette has presented his celebrated Bitters, whose curative powers for all diseases of the stomach have been universally acknowledged. HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every mem-ber of the human family is subject to discase or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent regulate the system as to secure perman-inhealth. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that heaven read for the security of the security o that has been tried for years, giving satisfac-tion to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple pro-

rigorous action, and tails, by the simple pro-cess of strengthening nature, enable the sys-tem to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nau-sea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid maction of the Stomach or Bowels, producing Gramps,

Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhœa, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per distributed by the Fight disease or the contract of the contr directions on the bottle. For this disease every n why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation ema-

nated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science. FEVER AND AGUE .- This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shathe body of man, reducing him to a mere sna-dow in a short time, and rendering him phy-sically and mentally useless, can be driven from the body by the use of HOSTETER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used

in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infarm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hosetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. temporary strength and vigor to the system. Ladies should by all means try this remedy for all eases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

MARK THESE FACTS! THE TESTIMONY OF THE WHOLE WORLD

Holloway's Ointment.

Bad Legs, Bad Breasts, Sores and Ulcers. All description of sores are remediable by th proper and diligent use of this inestimable prepara-tion. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy diseased condition remains underneath to break out with tenfold fory in a few days. The only rational and successful treatment, as indicated by nature, is to reduce the inflamma-tion in and about the wound, and to soothe the neighboring parts by rubbing in plenty of the Ointment, as salt is forced into meat,

Diptheria, Illcerated Sore Throat, and Scarlet and other Febers.

Any of the above diseases may be cured by well rubbing the Ointment three times a day note the chest, throat and neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part whereas the Ointment will do its work at once.—Whoever tries the ungeunt in the above manner, for the diseases named, or any similar disorders affecting the chest and throat, will find themselves relieved as by a charm.

Piles, Fistulas, Strictures.

Piles, Fistulas, Strictures.

The above class of complaints will be removed by nightly fomenting the parts with warm water, and then most effectually rubbing in the Ointment. Persons suffering from these direful complaints lose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be taken into the system, whence it will remove any hidden sore or wound as effectually as though palpable to the eye. There lagain bread and water poultices, after the rubbing in of the Qintment, will do great service. This is the only sure treatment for females, cases of cancer in the stomach, or where there may be a general bearing down.

Indiscretions of Youth:—Sores and Ulcers.

Indiscretions of Youth :- Sores and Ulcers.

Blotches, as also swellings, can, with certains be radically cured if the Ointment be used freely and the Pills be taken night and morning as recommended in the printed instructions. When treated in any other way they only dry up in one place to break out in nother; whereas this Ointment will remove the humour from the system, and leave the patient a vigorous and healthy being. It will require time with the use of the Pills to ensure a lasting cure.

Dropsical Swellings, Paralysis and Stiff Joints.

Although the above complaints differ widely in their origin and nature, yet they all require local treatment. Many of the worst cases, of such distreatment. Many of the worst cases, of such dis-eases, will yield in comparatively short space of time, when this Ointment is diligently rubbed into the parts affected, even after every other means have failed. In all serious maladies the Pills should be taken according to the printed directions accom-panying each box.

Both the Ointments and Pills should be used in

the following cases: Bad Breasts, Gout, Glandular Swellings, Burns, Lumbago, Bites of Moschetoes and Rheumatism, Scalds, Sore Nipples, Sand-Flies, Coco-bay, Chiego-foot, Sore-throats, Skin Diseases, Chilblains Chapped Hands, Corns (Soft) Scurvy, Sore-heads Tumors, Ulcers, Wounds, Cancers, Contracted and Stiff
