

Holloway's Pills.—Let reason guide you.—Dyspepsia, Costiveness.—There is no grief but can be assuaged, no pain insusceptible of alleviation, or disease without a remedy. Are you dyspeptic? Look for the cause in a disordered stomach or derangement of the liver. Are you costive or bound in the bowels? Here again the stomach or viscera are at fault. Holloway's Pills will eradicate the source. Try them. They have never yet failed in one single instance out of millions of cases. We urge all who are suffering from Dyspepsia, Costiveness, Bowel Complaints, &c., to use them at once, as they will effectually cure. The proof lies in the trial. Procure a box and be convinced of their immediate effect. Read the Advertisement elsewhere.

One of the most prevalent, and at the same time troublesome and painful diseases that attend the human flesh, is the Fever and Ague. For a long time the medical world have been continually bringing forth numerous specifics for its permanent cure, but all without effect. Dr. J. Hostetter, an experienced and celebrated physician, has succeeded in furnishing the public with a valuable preparation for the cure of Fever & Ague. The steady and increasing demand lately made for the "Bitters," and the unusual success attending its use have made it a reputation unsurpassed by any specific for the kind. For the cure of the Fever and Ague, Dr. Hostetter's celebrated Stomach Bitters must and should claim a superiority over any other preparation extant.

Sold by druggists and dealers generally, everywhere.

HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhoea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation.

Dyspepsia, a disease which is probably more prevalent in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.
