On the night of the 4th, after a short illness, departed this life, Mrs. Mary Byrne, sister of L. Harman, Sen., one of our much esteemed former citizens, and mother of Mrs. Rob't Fyan, of this place. The deceased was born at the Seven Churches, in Wicklow county, Ireland,

and came here about the year 1817. She had passed through the frightful scenes of what is called the "Rebellion of 98," in Ireland, when that down trodden country struck for freedom, but, alas! fataly and fruitiessly. She saw her brave brothers—Lawrence and John Harman-exiled to America, because they fought and suffered in the cause of Ireland! and she came after them, to this country, to enjoy that liberty which was not to be had in her native land. She felt for Ireland's wrongs and she abhorred Ireland's oppressors and oppression everywhere. It was a singular comcidence that she should die, on the evening of our glorious 4th of July, when we celebrate our emancipation from British Bondage and when Revolutionary before desire to die.

But though we admire her patriotic heart, and her love for oppressed Ireland, her firm faith and exalted piety are still more to be admired. For more than a quarter of a century, she show as a light in the House of God. She was invariably pious and charitable.—Whenever she was able to do anything for her neighbors, she was particularly prompt to render any friendship. The poor, she releveed,

Our Sabbath School is indeed a "Union Scuool." Its first meeting was on the first day of April last, and it now numbers 52 male, and 54 female pupils, making a total of 106 pupils. These are divided into 18 classes. The average attendance, each Sabbath, has been 83 pupils. The only disadvantage under which we labor, is the want of room, our school house being too small for the accommodation of the multitude who meet there every Sabbath. There has been contributed up to the present time, by subscription, and collections \$21.25 of which sum there has been expended for books, tickete, kc., \$20.421, leaving a balance in the hands of the Treasurer of \$23 cents. HOSTETTER'S STOMACH BITTERS.

Ir is a fact that, at some period, every mem-ber of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good famic and the exercise of plain common sense, they may be able so to regulate the system as to secure perman-ni health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfac-tion to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple cess of strengthening nature, enable the sys-

tem to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Plaulency, Loss of Appetite, or any Bilions Complaints, arising \*from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these

Bitters have no equal.

Diarrhoea, dysentery or flux, so generally contracted by new settlers, and chased principally by the change of water and dist, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infal-lible? All nations have their Bitters, as a preventive of disease and strengthener of the sys-tem in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation ema-nated, based upon scientific experiments which have tended to prove the value of this great

preparation in the scale of medical science.

FEVER AND AGUE.—This trying and provok-FEVER AND AGUE.—THIS CIVING and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Eitters are used as per directions. And as they neither create nausea nor offend the pelate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy direction the complaint is reand healthy digestion, the complaint is re-

and neathly digestion, the companing is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advenced Years, who are suffering from an enfectbed constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourpensane, especially where the monters non-ishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will mmend their use in all cases of weakness.

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetten's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

Holloway's Pills.

Mervous Disorders. What is more fearful than a breaking down of the hervous system? To be excitable or nervous in a small degree is most distressing, for where cen a remedy be found? There is one:—drink but little wine, heer, or spirits, or far better none; take no coffee—weak tea being preferable; get all the fresh air you can; take three or four Pills every night; eat plenty of solids, avoiding the use of slops; and if these golden rules are followed, you will be happy in mind and strong in body, and forget you have any nerves.

Mothers and Daughters.

If there is one thing more than another for which these Pills are so famous it is their purifying prop-erties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Dsorders of the Kidneys.

In all diseases affecting these organs, whether hey, crete too much or too little water; or whe-her they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pilis should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time.
