T. LYTTLETON LYON, A. M., PRINCIPALS.

THE Summer session of this institution will open on Friday, the 4th day of May 1880. It is the design of the Principals, to make this Academy, in all respects, a first class institution, for the thorough instruction of youth of both sexes, and to prepare them for any profession or position n life

The high moral and scientific tone of the school is well known to this community, and a strict disci-pline will be enforced.

A few boys, (the number is limited to ten,) will be received into the family of the Principals, as poarders. The beauty of the scenery and the salubrity of

the climate render Bedford a most desirable loca-tion for such a school. Persons from abroad, visiting at the Springs, can

be near their children during the summer. It is desirable that pupils should enter at the com-mencement of the session, and no pupil will be re-ceived for less than one quarter.
