And the said act of assembly entitled "an act relating to elections of this Commonwealth," passed July 3d, 1819, further provides as follows, to wit:
"That the inspectors and judges shall meet at the respective places appointed for holding the election in the district at which they respectively belong, before 8 o'clock in the morning of the 2d Tuesday of October, and each said inspector shall appoint one clerk, who shall be a qualified voter of such district."

"It shall be the duty of the several assessors respectively to attend at the place of holding every general, special, or township election during the whole time such election is kept open, for the purpose of giving information to the inspectors, and judge, when called on, in relation to the right of any person assented by them to vote at such election, and on such other matters in relation to the assessment of voters, as the said inspectors or either of them shall from time to time require."
"No person shall be permitted to vote at any election as aforesaid, than a white freeman of the age of twenty-one or more, who shall have resided in this State at least one year, and in the election district where he offers to vote ten days, immediately preceding such election, and within two years paid a State or county tax which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed herefrom and returned, and who shall have resided in the election district and paid taxes aforesaid, shall be entitled to vote at any election in this State six months. Provided, That the white freemen citizens of the United States, between the ages of twenty-one and twenty-two years, who have resided in the election district ten days as aforesaid shall be entitled to vote, although they shall not have paid tax."
"No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants, furnished by the Commissioners, unless: First, he produce a receipt of payment, within two years, of State or County tax assessed agreeably to the Constitution, and give satisfactory evidence on his oath or affirmation of another that he has paid such tax, or in a failure to produce a receipt shall make oath to the payment thereof, or second, if he claim a right to vote by being an elector between the age of twenty-one and twenty-two years shall depose on oath or affirmation, that he has resided in the State at least one year next before his application, and make such proof of residence in the district as is required by this act, and that he does, verily believe, from the account given him that he is of the age aforesaid, and give such other evidence as is required by this act, whereupon the name of the person so admitted to vote shall be inserted in the alphabetical list by the inspector, and a note made opposite thereto by writing the word "tax," if he shall be admitted to vote by reason of having paid tax, or the word "age" if he shall be admitted to vote by reason of age, and in either case the reason of such a vote shall be called out to the clerks, who shall make a like note in the lists of voters kept by them."
"In all cases where the name of the person claiming to vote is not found on the list furnished by the commissioners, and assessors, or his right to vote whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the inspectors to examine such persons on oath as to his qualifications, and if he claims to have resided within the State for one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness, who shall be a quali-

fied elector that he has resided within the district for more than ten days immediately preceding said election, and shall also himself swear that his bona fide residence, in pursuance of his lawful calling, is within the district, and that he did not remove in the district for the purpose of voting therein.
"Every person qualified as aforesaid, and who shall make due proof if required, of his residence and payment of taxes, as aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside."
"If any person shall prevent or attempt to prevent any officer of an election under this act, from holding such election, or use or threaten any violence to any such officer, and shall interrupt or improperly interfere with him in the execution of his duty, shall block or attempt to block up the window or avenue to any window where the same may be held, or shall riotously disturb the peace of such election, or shall use or practice any intimidation, threats, or violence, with the design to influence unduly or to restrain the freedom of choice, such person on conviction shall be fined in any sum not exceeding five hundred dollars and be imprisoned for any time not less than nor more than twelve months and it shall be shown in the Court where the trial of such offence shall be had, that the person so offending, or any two or more of them, were at the time of such offence in the city, ward, district, or township where said offence was committed, and not entitled to vote therein, then, on conviction, he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars, and be imprisoned not less than six months nor more than two years."
"If any person or persons shall make any bet or wager upon the result of any election within the Commonwealth, or shall offer to make any such bet or wager either by verbal proclamation thereof, or by any written or printed advertisement, challenge or invite any person or persons to make such bet or wager, upon conditions thereof, or they shall forfeit and pay three times the amount they bet or offered to bet."
"And the Judges of the respective districts aforesaid, are required to meet at Bedford, on Friday, next following the holding of said election, then and there to perform those things required of them by law."
