-305-Bad Legs, Bad Breasts, Sores and Ulcers. Bad Legs, Bad Breasts, Sores and Ulcers.

All description of sores are remediable by th, proper and diligent use of this inestimable preparation. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy diseased condition remains underneath to break out with tenfold fury in a few days. The only rational and successful treatment, as indicated by nature, is to reduce the inflammation in and about the wound, and to soothe the neighboring parts by rubbing in plenty of the Ointment, as salt is forced into meat.

Diptheria, Illcerated Sore Throat, and Scarlet Any of the above diseases may be cured by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part whereas the Ointment will do its work at once.—Whoever tries the angeunt in the above manner, for the dispasses named, or any similar disorders affecting the chest and throat, will find themselves relieved as by a charm.

lieved as by a charm. Piles, Fistulus, Strictures.

The above class of complaints will be removed by nightly fomenting the parts with warm water, and then most effectually rubbing in the Dintment. Persons suffering from these direful complaints lose not a moment in arresting their progress. It should be inderstood that it is not sufficient merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be taken into the system, whence it will remove any hidden sore or wound as effectually as though palpable to the eye. There again bread and water poultices, after the rubbing in of the Ointment, will do great service. This is the only sure treatment for females, cases of cancer in the stomach, or where there may be a general bearing down.

It will require time with the use of the Pills to ensure a lasting cure.
