The Supreme Court of New York have is-1 sued a perpetual injunction against Eaton and leckins for counterfeiting Ayer's Cathartic Pills holding them responsible for the cruel imposition in what they have done and restraing them from further like injury to the public. If any class of our people more than another needs the interposition of haw to shield them from imposture, it is the sick and suffering who are unable to protect themelves. A remedy so universally employed as Aver's Pills by all classes, both to cure and prevent disease, should as it does, have every ecurity the law can afford it, from counterfeit and imitation .- Cabinet, [Schenectady.]

A N APERIENT AND STOMACHIC PREPARA-A tion of IRON purified of Oxygen and Carbon, y combustion in Hydrogen. Sanctioned by the aughest medical authorities, both in Europe and the Inited States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of from can be compared with it. Impo-rities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. Innox-ious in all maladies in which it has been tried, it has proved absolutely curative in each of the following mplaints, viz

In cases of General Debility, whether the result

In cases of *General Dubility*, whether the result of acute disease or of the continued diminution of nervous and muscular energy from chronic com-plaints, one trial of this restorative has proved suc-cessful to an extent which no d-scription nor writ-ten attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protrac-ted travel in a distant land. Some very sig-nal instances of thus sind are attested of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic eversion to air and exercise for which the physician has no name.

In Nervous Affections of all kinds, and for reason In Nervoix Affections of all kinds, and for reasons familiar to medical men, the operation of this prepa-ration of iron must necessarily be salutary, for, un-like the old oxides, it is vigorously tonic, without being exciting and over-heating : and gently regu-larly aperient, even in the most obstinate cases of costiveness, without ever being a gastric pargative, or inflicting a disagreeable sensation.

or inflicting a disagreeable sensation. It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for *Piles*, upon which it also appears to ex-ert a distinct and specific action, by dispersing the local tendency which forms them. In *Dyspepsia*, innumerable as are its causes, a single box of these Chalybeate Pills has often suffi-ced for the most habitual cases. In unchecked *Diarrhova*, even when advanced to Dystentery, confirmed, emaciating and apparently malignant, the effects have been equal decisive and

No remedy has ever been discovered, in the whole history of medicine, which *xerts such prompt hap-py and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.
