J.CAYER &CO CURE

CONSERVATIVE

AYER'S PECTORAL CATHARTIC PILLS. Are you sick, feeble

of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Fills, and see how directly they restere the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in stany of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Peb. 4, 1856. DR. ATER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of electronic sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously affiliefed with blotches and pimples on her skin aud in her hair. After our child was cured, she also tried your Pills, and they have cured her.

KSA MORGRIDGE.

As a Family Physic. From Dr. E. W. Carturight, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily

Headache, Sick Headache, Foul Stomach. Prom Dr. Edward Boyd, Baltimore.

DEAR BBO, ATER: I cannot answer you what complaints
I have cured with your Plits better than to say all that we
ever treat with your Plits better than to say all that we
ever treat with a margather medicine. I place great dependence on an effectual cathartic in my duly contest with
disease, and believing as I do that your Pills afford us the
best we have, I of course value them highly.

Dz. J. C. Ayrr. Sir: I have been repeatedly cared of the worst headache any hody can have by a dose or two
of your Bils. It seems to arise from a foul stomach,
which they cleanse at once.

Yours with great respect,

Eck of Skeamer Clarion.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious conjuints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Department of the profession and the people.

Department of the Interior,
Washington, D. C., 7th Feb., 1880.

Sin: I have used your Pills in my general and hospital
practice ever since you made them, and cannot hesitate to
say they are the best cathurtic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements
of that organ. Indeed, I have seldom found a case of
billous disease so obstinate that it did not readily yield to
them. Fraternally yours, ALONZO BALL, M. D.,
Playsician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small does for binous dynamics and distribute. Their sugar-ceating makes them very acceptable and convendent for the use of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Charch, Loston, Dr. Aver: I have used your Fills with estraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digostion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

Warsaw, Wyoming Co., N. Y., Och 24, 1255.
DEAR Siz: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the foundation of the blood.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Pagalysis, Fits, etc.

From Dr. J. P. Vaugin, Montred, Canada.

Too much cannot be said of your Pills for the cure of cuttoness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe continues to the circumsts to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time are excellent promotives of the natural nervation when wholly or partially suppressed, and also very effectual to cleans the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients. From the Rev. Dr. Hawkes, of the Methodist Enis Church.

From the Rev. Dr. Hawkes, of the Methodist Epis, Church,
PELASKI HOUSE, Savannah, Ga., Jan. 8, 1856.
HONORD Sin: I should be ungrateful for the relief
your skill has brought me if I did not report my case to
you. A cold settled in my limbs and brought on excruciating neueralgic pains, which ended in chronic rheumatiam. Nowithstanding I had the best of physicians, the
disease grew worse and worse, until by the advice of your
excellent agent in Baltimore, Dr. Mackenzie, I tried your
Pills. Their effects were slow, but sure. By persevering
in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1955, of Phys. Avec: I have been entirely cured, by your Pills, of Physmatic Gout—a painful disease that had afflicted me for years.

VINCENT SLIDELL.

Fig. Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever. Price, 25 cents per Box, or 5 Boxes for \$1. 1. s ared by Dr. J. C. AYER & CO., Lowell, Mass.

Holloway's Ointment. - 20%

Bad Legs, Bad Breasts, Sores and Ulcers. All description of sores are remediable by th, proper and diligent use of this inestimable prepara. proper and diligent use of this inestimable prepara-tion. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy diseased condition remains underneath to break out with tenfold fury in a few days. The only rational and successful treatment, as indicated by nature, is to reduce the inflamma-tion in and shout the wound and to see the the tion in and about the wound, and to soothe neighboring parts by rubbing in plenty of the Ointment, as sait is forced into meat.

Diptheria, Vicerated Sore Throat, and Scarlet and other Fevers.

Any of the above diseases may be cored by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part whereas the Ointment will do its work at once.__ Whoever tries the angeunt in the above manner, to the diseases named, or any similar disorders affec-ting the chest and throat, will find themselves re lieved as by a charm.

Piles, Fistulas, Strictures.

The above class of complaints will be removed by nightly fomenting the parts with warm water, and then most effectually rubbing in the Ointment. Persons suffering from these direful complaints lose not a moment in arresting their progress. It should be understood that it is not sufficient merey to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be ta ken into the system, whence it will remove any, hidden sore or wound as effectually as though palpable to the eye. There jagain bread and water poultices, after the rubbing in of the Ointment, will do great service. This is the only sure treatment for iemales, cases of cancer in the stomach, or where there may be a general bearing down.

Indiscretions of Youth ;- Sores and Ulcers.

Blotches, as also swellings, can, with certain-be radically cured if the Ointment be used freely mended in the printed instructions. When treated in any other way they only dry up in one place to be received to the numour from the system, and leave the patient a vigorous and healthy being. It will require time with the use of the Pills to ensure a lasting cure. ting cure.

Dropsical Swellings, Paralysis and Stiff Joints.

Although the above complaints differ widely in their origin and nature, yet they all require local treatment.
