PRACTICAL CALCULATOR. PRACTICAL CALCULATOR. PRACTICAL CALCULATOR PRACTICAL CALCULATOR PRACTICAL CALCULATOR.

CULATOR.

A Book of Plain Rules and Calculations for Business Operation, By Martin M. Rohrer, Practical Surveyor and Conveyancer. New Edi-tion, Published by J. B. Lippincott & Co., Philadelphia.

This work contains 204 pages, and upwards of 30 Rules and Examples, entirely and thoroughly dractical, such as arise every day in the common pursuits of Business. It has already passed through a number of Editions in rapid succession, and is pronounced by all classes of business men to be he handiest book of reference, pertaining to calcu-lations, that has ever been published. Every example in the book is worked out in full

and tated in a plain manner, so that when a parallle case arises, those referring to the work will find no difficulty in readily solving it; in a word, the general arrangement of the Calculator is so simple, that ary one who knows how to add, substract, multiply, or divide, can easily solve any or dinary example that arises in business, or arrive at the result of any estimate required.

the result of any estimate required.

The chief aim of the author has been to estice we theory and philosophy in figures, aiming only at facts and simplicity, believing that business men care little about spending time in discussing the philosophy of rules or the science of figures, deeming it sufficient for their purpose to be able at a moment, by reference, to arrive at the true result. The calculator differs in this respect from all Arithmetics of the day, and kindred works—it is a key to practical business calculations—it is, in the hands of the business man, what the key to mathematical works is in the hands of the teacher in the school-room—tt facilitates time and insures corchool-room-it facilitates time and insures cor ectness.

THE WORK PREATS OF THE

Measurement of Land, of Lumber, of Brick and Brick work, of Stone and Stone Work, of Grain and Grain Bins, of Coal and Coal Bins, of Wood, of Solids, of Liquids, of Circular, of Square, or Irregu-ar Vessels, of Cisterns and Vats, of Roofing, of Plasterers', Painters', Gleziers', Pavers', Plumbers, Paper Hangers', and Upholsters', Work. It treats of Currency and of Foreign and Domestic Exchange of the Decimal System, of Reduction and its extended application to Business, of Simple and compound Interest, and their entire application to Business transactions, with the laws and usages governing and regulating the same together, with property Bedford daily (Sunday excepted) at 7 A. ## JUDSON'S Mountain Herb Pills.

. It is an established fact, that all diseases arise from

IMPURE BLOOD:

IMPURE BLOOD:

The cloud is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bib. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountainhead of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few ninness the whole course of the stream becomes disturbed and discolored. As quickly does inpure blood fly to every part, and leave its aling behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out. These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a

CURE FOR BILIOUS DISEASES, Liver Complaint, Sick Headache, &c. This Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and resuscitating the vital organs. Pleasant indeed, is it to us, that we are able to place within your reach, a medicine like the "MOENAIN HEARS PLUS," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.
