ROHRER'S ROHRER'S ROHRER'S ROHRER'S

PRACTICAL CALCULATOR. PRACTICAL CALCULATOR. PRACTICAL CALCULATOR. PRACTICAL CALCULATOR.

A Book of Plain Rules and Calculations for Business Operation, by Martin M. Rohrer, Practical Surveyor and Conveyancer. New Edition, Published by J. B. Lippincott & Co., Philadelphia.

This work contains 204 pages, and upwards of 500 Rules and Examples, entirely and thoroughly practical, such as arise every day in the common pursuits of Business. It has already passed through a number of Editions in rapid succession, and is pronounced by all classes of business men to be the handiest book of reference, pertaining to calculations, that has ever been published.

Every example in the book is worked out in full and tabulated in plain manner, so that when a parallel case arises, those referring to the work will find the solution ready to hand. In a word, the general arrangement of the Calculator is so simple, that any one who knows how to add, subtract, multiply, or divide, can easily solve any ordinary example that arises in business, or arrive at the result of any estimate required.

The chief aim of the author has been to eschew the ordinary philosophy in figures, aiming only at facts and simplicity, believing that business men care little about spending time in discussing the philosophy of rules or the science of figures, deeming it sufficient for their purpose to be able at a moment's notice, to arrive at the true result. The calculator differs in this respect from all Arithmetics of the day, and kindred works—it is, in the hands of the business man, what the key to mathematical works is in the hands of the teacher in the school-room—it facilitates time and insures correctness.

THE WORK TREATS OF THE Measurement of Land, of Lumber, of Brick and Brick work, of Stone and Stone Work, of Grain and Grain work, of Coal and Coal Bins, of Wood, of Solids, of Liquids, of Circular, of Square, or Irregular Vessels, of Cisterns and Vats, of Roofing, of Plasterers, of Painters, of Glaziers, of Pavers, of Plumbers, of Paper Hangers, and Upholsters, Work. It treats of Currency and of Foreign and Domestic Exchange, of the Philosophy of Interest, and its extended application to Business, of Simple and compound Interest, and their entire application to Business transactions, with the laws and usages governing and regulating the same, together with numerous Commercial Forms—of Legal Tender, of Partial Payments on Notes, of Banking and Bank Discount, of Equations of Payments and Partnership Accounts, of Assessment of Taxes, of Weights and Measures, of Square and Cubic Measure, of the Square Root and its application to Business, of Surfaces, of Excavation, and of many other important practical matters not within the scope of an advertisement to mention.

Mailed (post paid) to any part of the United States upon receipt of the money. Price of a single Copy, in Cloth, 60 Cents, or Two Copies for \$1.00. Bound in Pocket-book form, Morocco, \$1.00 per copy.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD. And for the speedy cure of the subjoined varieties of Disease:

Scrofula and Scrofulous Affections, such as Sores, Tumors, Ulcers, Sores, Eruptions, Pimples, Pastules, Blisters, Boils, Blisters, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1860. J. C. AYER & Co. Gent: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with eruptions, which were painful and troublesome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alternative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I tried one Cincinnati and got it, and used it till it cured me. I took it as you advise, in small doses of a teaspoonful every month, and used almost three bottles. New and healthy skin soon began to show under the scab, which after a while fell off, and my skin is now clear and new. I feel as if you had done for me what I had done for myself, and you, that I hold you to be one of the best of men of the age, and remain ever gratefully yours.

ALBION, N. Y., 10th Dec. 1859. Dr. J. C. Ayer & Co. Gent: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with eruptions, which were painful and troublesome beyond description. St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Foster writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of your Sarsaparilla, and also a desperate attack of Maligant Erysipelas by large doses of the same; as we cure the common Erysipelas by its use.

Bronchitis, Cough or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Cough—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhoea or Whites, Ovarian Tumor, or Female Erysipelas, Female Dropsy. Dr. J. B. Channing of New York City writes: "I most cheerfully comply with the request of your agent in saying, I have found your Sarsaparilla a most effective remedy in the cure of Leucorrhoea, and in the cure of Ovarian Tumor, but especially in Female Dropsy, and in the cure of the most inveterate cases of Leucorrhoea. I have used it in many cases, and it has cured me, and I feel as if you had done for me what I had done for myself, and you, that I hold you to be one of the best of men of the age, and remain ever gratefully yours."

Edward S. Morrow, of Newbury, Mass., writes: "A dangerous ovarian tumor, one of the most fatal in my family, which had defied all the remedies we could employ, has been cured by your Sarsaparilla. My physician had advised me to use your Sarsaparilla, and he has advised the trial of your Sarsaparilla as the most certain remedy, and it has proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease. Dr. J. C. Ayer writes: "I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Disease. One of my patients had syphilitic ulcers in his throat, which were causing him much suffering, and the top of his mouth was entirely raw. Your Sarsaparilla, steadily used, cured him in five weeks. Another was attacked by secondary eruptions in his nose, and the ulcers were suffering from a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my Sarsaparilla, and he is now perfectly cured. His nose healed, and he is well again, not of course without being treated for the same disorder by your Sarsaparilla. I have cured entirely by your Sarsaparilla in a few weeks, I know from your own laboratory must be a great remedy; consequently, those truly remarkable results with it have not surprised me."

Fraternally yours, G. V. LARIMER, M. D.
