

B. F. Meyers, Editor & Proprietor.

CALL AND SETTLE.

We are compelled to call upon all persons indebted to us, to make payment as soon as they conveniently can.

CIVIL WAR.

The so-called "peace policy" of the Lincoln Administration has all at once been turned into one of blood and horror.

over-burdened shoulders of the taxpayers of Pennsylvania. Mr. Lincoln spent just about twelve hours in Harrisburg, and yet his hotel bill is \$640.00, and the Committee appointed by the Legislature to wait upon him are to be paid at the rate of \$100 each!

THE GLORIOUS REACTION.

THE SOBER SECOND THOUGHT!

"OLD ABE" HEARS DISTANT THUNDER!

We give below a few extracts of telegraphic lightning which have recently given Old Abe and his Administration a peculiar pain in the region of the fifth rib.

BROOKLYN ELECTION.

BROOKLYN, N. Y., April 6th.—The Democrats have carried this city by from 4000 to 6000 majority.

THE GREAT REACTION.

One of the most striking evidences of the change that has taken place in public sentiment at the North in regard to the continued agitation of the subject of slavery, is found in the recent action of the Philadelphia Conference of the Methodist Episcopal Church, on a report from the Committee on the State of the Church, recommending to the General Conference to repeal the Chapter on Slavery, and declaring a division of the Conference by State lines inexpedient at this time.

Local and Miscellaneous.

We are informed that the nominal editor of the Inquirer, has been appointed to a second class clerkship at Washington, under Simon Cameron. We have often wondered how any man, or any half a man, could swallow the filth the aforesaid editor uttered against Cameron in 1855.

Mr. G. W. WEIDEL, the newly appointed Steward of the Poor House, has been installed, and is now in the active discharge of the duties pertaining to his office.

OFF FOR THE WARS. Some of the officers who have just returned from Texas to New York, and who expected soon to join their families here, have telegraphed that they sail to-day for unknown service.

FORT PICKENS. General Scott is of the opinion that Fort Pickens cannot stand a continuous siege if the Secessionists continue to throw up batteries, encircling it and commanding all approaches, as has been done at Charleston.

SOUTHERN COMMISSIONERS INDIGNANT. The Southern Commissioners now in Washington are indignant. The first intimation which they received of the warlike policy of the Administration, was given to-day.

APPOINTMENT OF AN ALLEGED SECESSIONIST. Great excitement exists in consequence of the rumored appointment, by Secretary Bates, of E. C. Carrington to the office of District Attorney of the District of Columbia.

CABINET TROUBLES. Messengers are continually passing to and fro between the offices of the members of the Cabinet. There is trouble in the wind!

APPEALS begin to have a warlike aspect.—The Administration has determined to reinforce Fort Pickens at all hazards, and troops are being concentrated at New York preparatory to a descent upon the South.

The communication signed "American," from St. Clair, intimating that the Inquirer has "put its foot into it," in approving of the appointment of the infidel and outlaw, Carl Schurz, Minister to Spain, will appear next week.

HEAL THE SICK.—Diseases of the Bowels and Stomach are always caused by large deposits of hurtful matter, left by impure blood in those important organs, and the poisonous material in this vitiated blood, acting on the system, makes it too weak to throw off this matter by the natural channels.

Wanted—A Policy. The New York Times, one of the most formidable organs of the Republican party, opens its columns upon the Lincoln Administration with deadly effect.

NEWS FROM WASHINGTON CITY.

We make the following extracts from telegraphic dispatches received by the Philadelphia Inquirer of a late date: ANXIETY AND PREPARATION. There is an uneasy and anxious feeling manifested by everybody who comes within immediate range of the Government, that indicates that the comparative calm existing for the last month is about being broken up by storms.

—DIED—

SCHROCK.—At Shanksville, Somerset Co., on the 7th inst., CHARLES, son of Hon. Edward M. Schrock, aged 7 years.

Another gentle, saintly spirit hath winged its flight to that "bourn from whence no traveler returns." But a few days ago he greeted us with childish welcome; now lies his inanimate form in that narrow cell which all are doomed to occupy.

There is an uneasy and anxious feeling manifested by everybody who comes within immediate range of the Government, that indicates that the comparative calm existing for the last month is about being broken up by storms.
