Executed in the finest style of art, and printed on heavy plate paper 25 by 30 inches, making a most appropriate ornament for the parlor, the library, or the office.

THE LIFE, SPEECHES AND MEMORIALS OF DANIEL WEBSTER, CONTAINING HIS MOST CELEBRATED ORATIONS AND HIS LIFE AND TIMES.

BY SAMUEL M. SHEEKER, LL.D. THIS WORK CONTAINS HIS LAST GREAT SPEECH ON THE SLAVERY COMPROMISE.

In the U. S. Senate, and the Addresses delivered on the occasion of his death by Rufus Choate, Edward Everett, Geo. S. Hilliard, William H. In one large volume of 550 pages, printed on fine paper and bound in beautiful style; containing a full length steel portrait of Webster, believed to be the best ever taken of the great Statesman, as he was in the prime of manhood. Also, a great Statesman, as he was in the prime of manhood.

The engraving is one of the most beautiful and desirable ever issued. It represents Mr. Webster in his dying moments. His relatives and intimate friends, and several distinguished personages are grouped around his couch, eagerly listening to the last feeble words of the expiring statesman. They watch with intense interest his every movement. The artist represents the scene as impressively and impressively.

The opportunity afforded to obtain this magnificent engraving without charge, will command the attention of every one. Our edition of the life of Webster has been published but a few months; without the aid of the engraving we have disposed of 10,000 copies, which is proof the work is wanted by the people.

This work will be sold only by subscription, and will be furnished to subscribers, including the Engraving, bound in handsomely embossed leather at \$2.00; same style, gilt edges, \$2.50. Sample copies sent by mail, post-paid, for 50 cents.

AMERICAN WATCH COMPANY GOLD AND SILVER WATCHES. OFFICE JOHN A. STODDART, NO. 411 CHESTNUT STREET, PHILADELPHIA, PENN'A.

Attention is invited to the following statement and the accompanying testimony: CELEBRATED AMERICAN WATCHES. A Gold Medal was awarded the Company by the Massachusetts Mechanical Association, 1856. A Gold Medal was also awarded them by the American Institute at New York, in 1857.

These Watches have now been in the market for nearly ten years, during which time they have been tested as to ACCURACY, DURABILITY AND RELIABILITY.

in every conceivable manner, and have proved themselves to be the most satisfactory time pieces ever offered to the public.

This result has been brought about by a strict application of mechanical science to the construction of the watch from its very inception, rendering it, when finished, MATHEMATICALLY CORRECT.

in all proportions, and necessarily as perfect a time keeper as it is possible to make.

The Company have tested their Watches, in many instances, by actual daily noting, and the result of this test has been that they have exhibited a rate equal in regularity to the best marine chronometer.

N. B. - We have just introduced A NEW STYLE OF WATCH elaborately finished, and thinner than any we have heretofore produced.

Letter from Paul Morphy, the Celebrated Chess Player. New York, Oct. 15, 1859. Mr. R. E. Robbins, Treas. Am. Watch Co., Dear Sir:-The American Watch, No. 9240, presented me to the New York Chess Club, proved to be a most reliable and accurate time-keeper.

The following is from Mr. Porter, the well known Marine Chronometer and Watch Maker. Boston, Sept. 28, 1859. R. E. Robbins, Treas. Am. Watch Co.

Dear Sir:-I have held during the last year a considerable number of Watches of the Waltham manufacture, and am happy to say that all of them without exception, have fulfilled my warranty, and have given satisfaction to the purchasers.

CAUTION. As our Watch is now extensively counterfeited by foreign manufacturers, we have to inform the public that no Watch is of our production which is unaccompanied by a certificate of genuineness, bearing the number of the Watch, and signed by our Treasurer, R. E. Robbins, or by our predecessors, Appleton, Tracy & Co.

MOTT'S BLOOD PURIFIER. A SUFFERER AND STOMACHIC PREPARATION of Iron purified of Oxygen, and Carbon by combustion in Hydrogen.

In Debility, Nervous Disorders, Emaciation, Dyspepsia, Constipation, Diarrhoea, Dysentery, Incontinent Consumption, Scrophulous Tuberculosis, Salt Rheum, Migraine, Whites, Chlorosis, Liver Complaint, Chronic Headache, Catarrhs, Intermittent Fevers, Pimples on the Face, &c.

In cases of General Debility, whether the result of acute disease or of the continued diminution of nervous and muscular energy from chronic consumption, a trial of this restorative has proved successful to an extent rarely credited to any written advertisement.

In Nervous Affections of all kinds, and for reason familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is not a violent tonic, without exciting and over-heating it, and gently purges the system, without even being a gastric purgative, or exciting a disagreeable sensation.

It is this latter property, among others, which makes it so remarkably efficient and permanent a remedy for Piles, upon which it also appears to exert a most salutary and specific action, by dispersing the local tendency which forms them.

In Dyspepsia, indigestion, as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases.

In unhealed Diarrhoea, even when advanced to Dysentery, confirmed, emaciating and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating coughs, and intermittent fevers, which generally indicate Incontinent Consumption, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In Scrophulous Tuberculosis, this medicated iron has had far more the good effect of the most cautiously prepared preparations of iodine, without any of their well-known liabilities.

The attention of females cannot be too confidentially invited to this remedy, and restorative, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammatory, in the latter, however, more decidedly, it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and utility.

No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt happy and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

Put up in neat flat metal boxes containing 50 pills price 50 cents per box; for sale by druggists and dealers. Will be sent free to any address, on receipt of the price, or, should be addressed to R. B. Locke & Co., General Agents, 30 CEDAR STREET, N. Y. July 20th, '60.
