

DO YOU WANT WHISKERS? DO YOU WANT WHISKERS? DO YOU WANT A MOUSTACHE? DO YOU WANT A MOUSTACHE!

BELLINGHAM'S CELEBRATED STIMULATING ONGUENT, FOR THE WHISKERS AND HAIR.

The subscribers take pleasure in announcing to the Citizens of the United States, that they have obtained the agency for, and are now enabled to offer to the American public, the above justly celebrated and world renowned article.

THE STIMULATING ONGUENT

Is prepared by Dr. C. P. BELLINGHAM, an eminent physician of London, and is warranted to bring out a thick set of Whiskers or a Mustache, in from three to six weeks: This article is the only one of the kind used by the French, and in London and Paris it is in universal use.

It is a beautiful, economical, soothing, yet stimulating compound, acting as if by magic upon the roots, causing a beautiful growth of luxuriant hair. If applied to the scalp, it will cure baldness and cause the springing up of places of the bald spots, a fine growth of new hair. Applied according to directions, it will turn red or tow hair dark, and restore gray hair to its original color, leaving it soft, smooth and flexible. The "Onguents" is an indispensable article in every gentleman's toilet, and after one week's use they would not for any consideration be without it.

The subscribers are the only Agents for the article in the United States, to whom all orders must be addressed.

Price One Dollar a box—for sale by all Druggists and Dealers, or a box of the "Onguents" (if preferred to have the desired effect) will be sent by mail, if desired, by mail (direct) securely packed, on receipt of price and postage, \$1.15. Apply to our address.

ROHRER'S ROHRER'S ROHRER'S ROHRER'S ROHRER'S PRACTICAL CALCULATOR.

A BOOK of Plain Rules and Calculations for Business Operation. By Martin M. Rohrer, Practical Surveyor and Conveyancer. New Edition. Published by B. Lippincott & Co., Philadelphia.

This work contains 204 pages, and upwards of 500 Rules and Examples, entirely and thoroughly practical, such as arise every day in the common pursuits of Business. It has already passed through a number of Editions in rapid succession, and is pronounced by all classes of business men to be the handiest book of reference, pertaining to calculations, that has ever been published.

Every example in the book is worked out in full and the result of any estimate required. The chief aim of the author has been to eschew theory and philosophy in figures, aiming only at simplicity and brevity, believing that business men care little about spending time in discussing the philosophy of rules or the science of figures, deem it sufficient for their purpose to be able at a moment, by reference, to arrive at the true result. The calculator differs in this respect from all Arithmetics of the day, and kindred works.—It is a key to practical business calculations.—It is, in the hands of a plain man, so that when a paralytic case arises, those referring to the work, will find no difficulty in readily solving it; in a word, the general arrangement of the Calculator is so simple, that any one who knows how to add, subtract, multiply, or divide, can easily solve any ordinary example that arises in business, or arrive at the result of any estimate required.

THE WORK TREATS OF THE Measurement of Land, of Lumber, of Brick and Brick Work, of Stone and Stone Work, of Grain and Grain Bins, of Coal and Coal Bins, of Wood, of Solids, of Liquids, of Circular, of Square, or Irregular Vessels, of Cisterns and Vats, of Roofing, of Plastering, of Glazing, of Paving, of Piarments, Paper Hangers, and Upholsterers' Work. It treats of Currency and of Foreign and Domestic Exchange of the Decimal System, of Reduction and its extended application to Business, of Simple and compound Interest, and their entire application to Business transactions, with the laws and usages governing and regulating the same, together with numerous Commercial Forms—of Legal Tender, of Partial Payments on Notes, of Banking and Bank Discount of Equations of Payments and Partnership Accounts of Assays of Metals, of Weights and Measures, of Square and Cubic Measures, of the Square Root and its application to Business, of Surfaces, of Excavation, and of many other important practical matters not within the scope of an advertisement to mention.

Each article, (post paid) to any part of the United States, upon receipt of the money. Price of a single Copy, in Cloth, 60 Cents, in two Copies, for \$1.00. Bound in Pocket-book form, Morocco, \$1.60 per copy.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your bowels sluggish and unregular? These symptoms are often the result of indigestion, or of a morbid action upon the system, which is being overborne by the nature of the food you are eating. Take Ayer's Pills, and you will feel better in ten days.

They stimulate the functions of the body into vigorous activity, purify the system, and remove the obstructions which make it diseased. A cold without serious consequences, if not relieved, sores upon themselves and the surrounding organs, producing general debility, and with it the most dangerous and distressing diseases. While in this condition, oppressed by the derangements, take Ayer's Pills, and you will feel better in ten days.

What is true and so apparent in this trivial and common complaint, is also true in many of the most dangerous and distressing diseases. The same purgative effect extends to them. Caused by similar derangement and obstructions of the natural functions of the body, they are rapidly and uniformly cured by the same means. Those who know the virtues of these Pills, will regard every similar case as one of the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known persons, are published in every issue of the Pills, and may be had free of charge.

As a Family Physic. Your Pills are the prince of purgatives. Their excellent qualities surpass any other cathartic, in that they are mild, but very certain and effective in their action on the bowels, and render them invaluable to us in the daily treatment of diseases.

Headache, Sick Headache, Foul Stomach. DR. AYER'S PILLS are the prince of purgatives. Their excellent qualities surpass any other cathartic, in that they are mild, but very certain and effective in their action on the bowels, and render them invaluable to us in the daily treatment of diseases.

DEAR DR. AYER: I cannot answer you what complaints I have cured with your pills. I have cured a great number of cases of bilious colic, and of various other ailments. I place great dependence on an effective cathartic in my daily course with disease, and believe that I do your pills more than I do any other I have used.

Dr. J. C. AYER, Sr. I have been using your pills for the worst headache, any body can have by a dose of two of your pills. It seems to arise from a foul stomach, which you will grant respect. ED. W. FREDE, Clerk of Steamer Clarion.
