ROHRER'S PRACTICAL CALCULATOR.—A Book of Plain Rules and Calculations for Business Operation, By Martin M. Rohrer, Practical Surveyor and Conveyancer. New Edition, Published by J. B. Lippincott & Co., Philadelphia.

This work contains 204 pages, and upwards of 500 Rules and Examples, entirely and thoroughly practical, such as arise every day in the common pursuits of Business. It has already passed through a number of Editions in rapid succession, and is pronounced by all classes of business men to be the handiest book of reference, pertaining to calculations, that has ever been published.

Every example in the book is worked out in full and tated in a plain manner, so that when a parallle case arises, those referring to the work will find no difficulty in readily solving it; in a word, the general arrangement of the Calculator is so simple, that any one who knows how to add, subtract, multiply, or divide, can easily solve any ordinary example that arises in business, or arrive at the result of any estimate required.

The chief aim of the author has been to eschew theory and philosophy in figures, aiming only at facts and simplicity, believing that business men care little about spending time in discussing the philosophy of rules or the science of figures, deeming it sufficient for their purpose to be able at a moment, by reference, to arrive at the true result The calculator differs in this respect from all Arithmetics of the day, and kindred works—it is a key to practical business calculations—it is, in the hands of the business man, what the key to mathemrtical works is in the hands of the teacher in the school-room—it facilitates time and insures correctness.

THE WORK TREATS OF THE

Measurement of Land, of Lumber, of Brick and Brick work, of Stone and Stone Work, of Grain and Grain Bins, of Coal and Coal Bins, of Wood, of Solids, of Liquids, of Circular, of Square, or Irregular Vessels, of Cisterns and Vats, of Roofing, of Plasterers', Painters', Glaziers', Pavers', Plumbers, Paper Hangers', and Upholsters', Work. It treats of Currency and of Foreign and Domestic Exchange of the Decimal System, of Reduction and its extended application to Business, of Simple and compound Interest, and their entire application to Business transactions, with the laws and usages governing and regulating the same, together with numerous Commercial Forms—of Legal Tender, of Partial Payments on Notes, of Banking and Bank Discount of Equation of Payments and Partnership Accounts of Assessment of Taxes, of Weights and Measures, of Square and Cubic Measure, of the Square Root and its application to Business. of Surfaces, of Excavation, and of many other important practical matters not within the scope of an advertisement to mention.

MRS. HALE'S RECEIPTS for the million, at Dr. Harry's.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

And for the speedy cure of the subjoined varieties of Disease:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was induced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of *Malignant Erysipelas* by large doses of the same; say he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration* of the *uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. EKEAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
