NEW YORK, Oct. 15, 1859. Mr. R. F. Robbins, Treas. Am. Watch Co.: Dear Sir:—The American Watch, No. 9240, presented me by the New York Chess Club, proved to be a most reliable and accurate time-keeper most unnecessarily so for ordinary purposes. It is now nearly five months since it came into my possession, and during that period its variation from standard time has been but a trifle more than half a minute. The following is a record of its performance. It was set June 3d correctly:
