The subscribers take pleasure in announcing to the Citizens of the United States, that they have obtained the agency for, and are now enabled to offer to the American public, the above justly celebrated and world renowned article.

THE STIMULATING ONGUENT

THE STIMULATING ONGUENT
Is prepired by Dr. C. P. Bellingham, and eminent physician of London, and is warranted to bring out a thick set of Whiskers or a Mustache, in from three to six weeks: This article is the only one of the kiad used by the French, and in London and Paris it is in universal use.

It is a beautiful, economical, soothing, yet stimulating compound, acting as if by magic upon the roots, causing a beautiful growth of 'uxuriant hair. If applied to the scalp, it will cure baldness and cause to spring up tu place of the bald spots a fine growth of new hair. Applied according to directions, it will turn red or towy hair dark, and restore gray hair to its original color, leaving it soft, smooth and flexible. The "Onguent" is an indispensable article in every gentleman's toilet, and after one week's use they would not for any consideration be without it.

AYER'S PECTORAL CATHARTIC - PILLS. J.CAYER ROLL

TOURE

Are you sick, feeble, and emplaining? Are you out of complaining? Are you one or order, with your system de-ranged, and your feelings un-comfortable? These symp-toms are often the prelude to serious illness. Some fit of stekness is creeping upon you mors — purify the blood, and let the fluids move on unob-structed in health again.

tet the finds move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the strounding organs, producing general aggravation, suffering, and disease, While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. From a Forecarding Merchant of St. Louis, Fib. 4, 1856.

Dr. Ayra: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and plunples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

As a Family Physic.

From Dr. E. W. Ordersith, Non Colones.

From Dr. E. W. Curtwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, SickHeadache, Foul Stomach, Dear Bro. Affer: I cannot answer you what complaints
I have cured with your Pills better than to say all that we
ever treat with a purposite medicine. I place great dependence on an effectual cathartic in my daily contest with
disease, and believing as I do that your Pills afford us the
best we have, I of course value them highly.

Pirrisuno, Pa., May I, 1855.

Dr. J. C. Aver. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Department of the profession and the people.

Department of The Interior,
Washington, D. C., 7th Feb., 1856. J
Sir.: I have used your Fills in my general and hospital
practice ever since you made them, and cannot hesilate to
say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, conse
quently they are an admirable remedy for derangement
of that organ. Indeed, I have seldom found a case of
bilious discuss so obstinate that it did not readily yield to
them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital

Paysician of the Marine Hospital.

Pysentery, Diarrhoen, Relax, Worms.

Pyon Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for billious dysentery and diarrhoen. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pustor of Advent Church, Boston.

DE. ATRE: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Winney Winney Co. N. Oct. 155. my friends.

Aussaw, Wyoming Co., N. Y., Oct. 24, 1855.

Dear Str.: I am using your Cathartic Pills in my practice, and find them an excellent purpative to cleanse th system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Youghn, Montreel, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join no in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe conficuency to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Fills, taken at the
proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very
effectual to cleanse the stomach and expel worner. They
are so much the best physic we have that I recommend
no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church. Prom the Rec. Dr. Hander, of the Methodist Epis. Church.

PULASK HOUSE, Savannah, Ga., Jan. G., 1856.
HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neurolpic pains, which ended in chronic rheumatism. Nowthstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them. I am now entirely well.
