In cases of General Dubility, whether the result of acute disease or of the continued diminution of

of acute disease or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from petracted travel in a distant land. Some very signal instances of this sind are attested of femal ufferers, empented victims of apparent merasural ufferers, empented victims of apparent merasural ufferers, emacuated victims of apparent marasmul, anguineous exhaustion, critical changes, and that omplication of nervous and dyspeptic aversion so it and exercise for which the physician has no

# Mountain Herb Pills.

IMPURE BLOOD!

IMPURE BLOOD:

The blood is the life! and when any foreign or unheafthy matter gets mixed with it; it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountainhead of hife—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood if yo every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life sood is out. These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a

CURE FOR BILIOUS DISEASES, Liver Complaint. Sick Headache, &c. This Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and resuscitating the vital organs. Pleasant indeed, is it to us, that we are able to place within your reach a medicine like the "MOEVALIN HERM FILLS," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the Best Remedy in exist ence for the following Complaints: Bowel Complaints, Delslitty, Inward Weckness, Coughs, Colds, Pewer and Agus. Liver Complaints, Pemer amale Complaints, Lowenses of Spiritts, Chest Diseases, Headacher, Piles, Stone and Gravel, Pyspeysia, Influensa, Secondary Symptopsy, Inflammation, Ioma.

#### GREAT FEMALE MEDICINE!

Females who value health, should never be without these Fills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and bring the rich color of, health to the pale cheek.

### The Plants and Herbs of which these Fills are made, were discovered in a very surprising way among the Teucans, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the "GREAT MEDICINE" of the Artecs.

all classes of Christians.

Besides a large amount of general religious intelligence, the Sunday-School Times contains all the most recent Sunday-school news. It reports all the important CONVENTIONS of Sunday-school teachers. It discusses the questions which most interest and perplex teachers and parents, respecting the various methods of religious training for the young, the means of gaining the attention and the affections of children, and especially of securing their conversion and bringing them to Christ. The subject of Mission-Schools for cities, and of Bunday-school missionary work for the interior, is thoroughly canvassed. Indeed, there is hardly a topic of practical importance to any who are interested in the subject of religious education, which is not here brought under consideration from week to ill classes of Christians.

The conductors of this paper endeavor to remember, that the great end of all Christian effort is to being men to Christ. They aim, accordingly, to put into every number of the paper something which shall have for its direct object the conversion of sould
