Letter from Paul Morphy, the Celebrated Chess Player.

NEW YORK, Oct. 15, 1859. Mr. R. E. Robbins, Treas. Am. Watch Co.:

Dear Sir:—The American Watch, No. 9240,
presented me by the New York Chess Club, proved
to be a most reliable and accurate time-keeper—almost unnecessarily so for ordinary purposes. It is now nearly five months since it came into my pos-session, and during that period its variation from standard time has been but a trifle more than half a minute. The following is a record of its performance. It was set June 3d correctly:

OHRER'S PRACTICAL GALCULATOR.—

A Book of Plain Rules and Calculations for Business
Operation, By Martin M. Rohrer, Practical
Surveyor and Conveyancer. New Edition, Published by J. B. Lippincott
& Co., Philadelphia.

This work contains 204 pages, and upwards of 500 Rules and Examples, entirely and thoroughly dractical, such as arise every day in the common pursuits of Business. It has already passed through a number of Editions in rapid succession, and is pronounced by all classes of business men to be the handiest book of reference, pertaining to calculations, that has ever been published.

Every example in the book is we ked out in full and tated in a plant manner, so that when a part

The chief aim of the author has been to eschew

theory and philosophy in figures, aiming only at facts and simplicity, believing that business men care little about spending time in discussing the philosophy of rules or the science of figures, deem ing it sufficient for their purpose to be able at a moment, by reference, to arrive at the true result. The calculator differs in this respect from all Arithmetics of the day, and kindred works—it is a large transfer to the second of the se key to practical business calculations—it is, in the hands of the business man, what the key to math-emrtical works is in the hands of the teacher in the school-room-it facilitates time and insures cor

J. C. Ayer & Co. Gents: I feel it my duty to so-knowledge what your Sarsaparilla has done for me. Having inherited a Scrofalous infection, I have suffered from it in various ways for years. Semetimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and leathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinsati and got it, and used it till it cured me. I took it, as you advise, in small doses of a tenspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I teil you, that I hold you to be one of the apostles of the age, and remain over gratefully.

Dr. J. B. S. I have cured many inveterate cases of Leucorrhoea by it, and some where the complaint was caused by ulceration of the uteras. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala, writes, "A dangerous oversian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the traid of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remnins."

Syphilis and Mercurial Disease.

New Obleans, 25th August, 1859.

Dr. J. C. Ater: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects. I have cared with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venerod and Mercurial Disease. One of my patients had Syphilite ulcers in his throat, which were consuming his palate and tho top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers heated, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her homes. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and homes. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Freparantion from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Livet Complaint.
