Above, we present you with a perfect liteness of Texuco, a chief of a tribe of the strange Artec Nation, that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.

The Inventor and Manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "MOUNTAIN HERE PILLS" were discovered. A very interestin account of bis adventires there, you will find in our Almanus and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

IMPURE RLOOD!

The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every argan of the body. Every nerve feels the poison, and all the vital organs, quickly compain. The stomach will not digest the feed perfectly. The liver ceases to secrete a saidchaper of bite. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogaced with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a ting rivinde, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impore blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out. These pills not only purify the bloot, but regenerate all the isorctions of the body; they are, therefore, unrivalled
