This work contains 204 pages, and upwards of 500 Rules and Examples, entirely and thoroughly dractical, such as arise every day in the common pursuits of Business. It has already passed through a number of Editions in rapid succession, and is pronounced by all classes of business men to be the handiest book of reference, pertaining to calculations, that has ever been published.

Every example in the book is worked out in full and tated in a plain manner, so that when a par-

and tated in a plain manner, so that when a parallie case arises, those referring to the work will find no difficulty in readily solving it; in a word, the general arrangement of the Calculator is so simple, that ary one who knows how to add, substract, multiply, or divide, can easily solve any or dinary example that arises in business, or arrive at

the result of any estimate required.

The chief aim of the author has been to eschew theory and philosophy in figures, aiming only at facts and simplicity, believing that business men care little about spending time in discussing the philosophy of rules or the science of figures, deem ing it sufficient for their purpose to be able at a moment, by reference, to arrive at the true result. The calculator differs in this respect from all. As The calculator differs in this respect from all A-rithmetics of the day, and kindred works—it is a key to practical business calculations—it is, in the hands of the business man, what the key to mathemrtical works is in the hands of the teacher in the school-room-it facilitates time and insures cor-THE WORK TREATS OF THE

They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs the structs its natural functions. These, if not reheved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of those Pills, will neglect to emiricy them, when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. Dr. Arga: Your Pills are the paragon of all that is reat in medicine. They have cured my little daughter followers or supon her hands and foet that had proved neurable for years. Her mother has been long grievally afflicted with blotches and pimples on her skin and a her hair. After our child was cured, she also tried our Pills, and they have cured her.

PHTEBURG, Pa., May 1, 1855.

Dr. J. C. ATEE. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion. Bilious Disorders - Liver Complaints.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the curre of bilous complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthly the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1656. Sir.: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartie we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago.

Tour Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alternative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhosa. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Pustor of Advent Church, Boston.
Br. Arke: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Constipation, Costiveness, Suppression,
Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Caughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in preclaining it for the benefit of the sulltitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Swart, Physician and Midwife, Boston I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural screen when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neurolic points, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grow worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
