

AMERICAN WATCH COMPANY
GOLD AND SILVER WATCHES.

OFFICE JOHN A. STODDART, NO. 411
CHESTNUT STREET, PHILADELPHIA, PENNA.

Attention is invited to the following statement and the accompanying testimonials in favor of these CELEBRATED AMERICAN WATCHES.

A Gold Medal was awarded the Company by the Massachusetts Mechanical Association, 1856. A Gold Medal was also awarded them by the American Institute at New York, in 1857.

These Watches have now been in the market for nearly ten years, during which time they have been tested as to ACCURACY, DURABILITY AND RELIABILITY.

in every conceivable manner, and have proved themselves to be the most satisfactory time pieces ever offered to the public.

This result has been brought about by a strict application of mechanical science to the construction of the watch from its very inception, rendering it, when finished

MATHEMATICALLY CORRECT, in all proportions, and necessarily as perfect a time keeper as it is possible to make.

The Company have tested their Watches, in many instances, by actual daily noting, and the result of this test has been that they have exhibited a rate equal in regularity to the best marine chronometer.

N. B.—We have just introduced a NEW STYLE OF WATCH elaborately finished, and timelier than any we have heretofore produced, with several improvements calculated to secure the greatest accuracy of performance, and to prevent the usual accidents and derangements to which foreign watches are liable.

Letter from Paul Morphy, the Celebrated Chess Player.
New York, Oct. 15, 1859.

Mr. R. E. Robbins, Treas. Am. Watch Co.
Dear Sir—The American Watch Co. 9240, presented me by the New York Chess Club, proved to be a most reliable and accurate time-keeper—almost unnecessary so for ordinary purposes. It is now nearly five months since it came into my possession, and during that period its variation from standard time has been but a trifle more than half a minute.

The following is a record of its performance. It was set June 3d correctly:
July 15, fast 4 seconds. Aug. 15, fast 15 seconds.
June 15, - 6 do Sept. 15, - 23 do
- 15, - 30 do Oct. 15, - 28 do
Aug. 1, 16 do Oct. 1, - 32 do

I give you permission to make such use of this statement as you may think proper.
I am, with respect, yours truly,
PAUL MORPHY.

The following is from Mr. Porter, the well known Marine Chronometer and Watch Maker.
Boston, Sept. 28, 1859.

ANCIENT JERUSALEM.
A LARGE AND BEAUTIFUL ISOMETRICAL PICTURE OF JERUSALEM AND THE SACRED PLACES SURROUNDING THE HOLY CITY, AS THEY APPEARED IN ANCIENT TIMES.

The above work is commended to the favorable notice of clergymen, and those having charge of Sunday-schools, Bible-classes, and public institutions.

It is about nine feet long and six feet wide, colored and varnished, and mounted on canvas with rollers.

It has been constructed from a most reliable authentic source, and will be found an invaluable aid to those engaged in lecturing on the Holy Land, or in imparting instruction to school classes on the subject to which it refers.

It aims to give an exact idea of the city as it appeared in ancient times. It takes a "bird's eye" or "oblique" view, the beholder being, in imagination, placed at a considerable elevation, so as to take a comprehensive view of the city and of the whole country for some distance around.

The View is accompanied with an Outline Key, in which the different localities are numbered, and a Descriptive Manual, containing all the information necessary to enable one to use the View to advantage in teaching or lecturing.

THE SUNDAY-SCHOOL TIMES
This is a Weekly Religious Paper, published at the very low price of ONE DOLLAR A YEAR.

It is designed for PARENTS, TEACHERS and all who are engaged or interested in the religious training of the young. It is also an excellent FAMILY PAPER.

A portion of the Sunday-School Times is occupied with NARRATIVES and other matter particularly interesting to young persons. Teachers will find it much to their advantage to read to their classes—interesting matter prepared, to their hands, and such as they cannot find elsewhere. For the same reasons, members of Bible-classes, and the older scholars generally, will be greatly benefited by the perusal of this paper.

The Sunday-School Times, has every week a report of the choicest matter, selected from the NOON PRAYER-MEETINGS, which are so interesting to all classes of Christians.

Besides a large amount of general religious intelligence, the Sunday-School Times contains all the most recent Sunday-school news. It reports all the important CONVENTIONS of Sunday-school teachers. It discusses the questions which most interest and perplex teachers and parents, respecting the various methods of religious training for the young, the means of gaining the attention and the affections of children, and especially of securing their conversion and bringing them to Christ. The subject of Mission-Schools for cities, and of Sunday-school missionary work for the interior, is thoroughly canvassed. Indeed, there is hardly a topic of practical importance to any who are interested in the subject of religious education, which is not brought under consideration from week to week.

The conductors of this paper endeavor to remember, that the great end of all Christian effort is to bring men to Christ. They aim, accordingly, to put into every number of the paper something which shall have for its direct object the conversion of souls.

SPECIAL OFFER.
The Proprietors of the SUNDAY-SCHOOL TIMES, having acquired by exclusive right of sale of the splendid work mentioned above, the MAP OF ANCIENT JERUSALEM, offer it as a special premium to those superintendents, teachers, or others, who will assist in getting new subscribers to the paper.

We offer this superb premium to any one who will send us the names of 12 new subscribers and \$12 in cash.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.
And for the speedy cure of the subjunct varieties of Disease.

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Itches, Boils, Blains, and all Skin Diseases.

Dr. J. C. Ayer & Co. Gentl: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms, some of which turned inward and distressed me at the stomach. Two years ago it broke out on my head, covered my scalp and ears with one, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without obtaining relief from any thing. In fact, the disorder grew worse. At length I was notified that in the Glasgow Dispensary you had prepared an alternative Sarsaparilla, for I knew from your reputation that any thing you made must be good. I went to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful or a month, and used almost three bottles. Now and healthy skin began to form, and my hair to grow again, and my feelings that I am now clear, and I know by your feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the Age, and remain ever gratefully.
ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erythrasma, Tetter and Salt Rheum, Scald Head, Ringworm, Sores, Erysipelas, &c.

Dr. Robert M. Frible writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Erysipelas, which threatened to terminate fatally, by the persevering use of your Sarsaparilla, and also a dangerous attack of Malignant Erysipelas by large doses of the same; say, he cures the common Erysipelas by its constant use.

Bronchocoe, Gout or Swelled Neck. Zebulon Stan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Gout, a tedious swelling on the neck, which I had suffered from over two years."

Leucorrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. S. Channing, of New York City, writes: "I most cheerfully commend the Sarsaparilla of your agency. In my wife I have found your Sarsaparilla a most excellent alternative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous kind. I have cured many inveterate cases of Leucorrhoea, and also many cases where the complaint was caused by ulceration of the uterus. The operation itself was soon cured. Nothing within my knowledge equals it for these diseases."

Edward S. Morrow, of Newbury, Ala., writes: "A dangerous morbid tumor on one of the ankles in my family, which defied all the medical means we could employ, but at length being completely cured by your Extract of Sarsaparilla. Our physician, after making long and anxious efforts to cure it, but he advised that of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your Sarsaparilla, it was removed without a symptom of the disease remaining."

Syphilis and Mercurial Disease. NEW ORLEANS, 25th August, 1859. Dr. J. C. Ayer, Sir: I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Yaws and Mercurial Disease. One of my patients had Syphilis in its third stage, which was causing him pain and the loss of his teeth. Your Sarsaparilla, after being taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had extended to considerable depth of the bone. The complaint itself was soon cured. Nothing within my knowledge equals it for these diseases.

Dr. J. C. Ayer, Sir: I have been afflicted with a painful chronic Rheumatism of a long time, which has made the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in a few days, and I have since used several more so much that I am far better than before I was attacked. I think a wonderful medicine. John V. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me, until I have used your Sarsaparilla, for some years now on no other cause than derangement of the Liver. My health is now restored, and I am enabled to do my duty to my family, and to my country. I feel that your Sarsaparilla, because he said he was cured, and any thing you made was worth trying. By the blessing of God it has cured me, and I feel confident that it will cure me to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones. A great variety of cases have been reported to us under the name of these formidable complaints have resulted from the use of this remedy, but our space here will not admit of more than a few. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, &c. Many remarkable cures of these affections have been effected by the alternative power of this medicine. It stimulates the vital functions, and induces vigorous action, and overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the medical world, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,
FOR THE RAPID CURE OF Coughs, Croup, Influenza, Hoarseness, Sore Throat, Whooping Cough, and all other affections of the Throat and Lungs, and for the Relief of Consumptive Patients in the early stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of these affections, and its efficacy is so well established, that it is needless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal acquaintance with it. Some living truly in the midst of its virtues, and others who know the value of it, and who, when they are afflicted with these affections, and who find that it did have long been required by the medical world, and we are confident that this will do for them all that medicine can do.
