CELEBRATED AMERICANWATCHES, A Gold Medal was awarded the Company by the Massachusetts Mechanical Association. Gold Medal was also awarded them by the American Institute at New York, in 1857. The Company also received the First Premium—a Gold Medal

ny aso received the rest remain—a often alcale and alcale and a state of the franklin Institute, Philadelphia, in 1858.

These Watches have now been in the market for nearly ten years, during which time they have been tested as to ACCURACY, DURABILITY AND RELIABIL-

ITY, in every conceivable manner, and have proved themselves to be the most satisfactory time pieces ever offered to the public.

This result has been brought about by a strict apolication of mechanical science to the construction of the watch from its very inception, rendering it,

MATHEMATICALLY CORRECT,

in all proportions, and necessarily as perfect a time keeper as it is possible to make.

The Company have tested their Watches, in many instances, by actual daily noting, and the result of this test has been that they have exhibited a rate aqual in regularity to the best marine chrocometer. N. B.— We have just introduced a

Letter from Paul Morphy, the Celebrated Chrss Player. NEW YORK, Oct. 15, 1859.

Mr. R. E. Robbins, Treas. Am. Watch Co.: Dear Sir:—The American Watch, No. 9240, presented me by the New York Chess Club, proved to be a most reliable and accurate time keeper—al-most unnecessarily so for ordinary purposes. It is now nearly five months since it came into my possession, and during that period its variation from standard time has been but a trifle more than half a minute. The following is a record of its performance. It was set June 3d correctly:

PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the preinde to serious illuess. Some fit of sickitiess is creeping upon you, and should be averted by a timely use of the right remody. Take Ayer's Pilis, and cleanse out the disordered humors—purify the blood, and let the fluidis move on unebstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstruction swhich make disease. A cold settless somewhere in the body, and obstruction shick make a compared to the distruction of the system, and with fit the booyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pilis, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Peb. 4, 1856. Dr. Aves: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. From Dr. E. W. Carturight, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease. Headache, SickHeadache, Foul Stomach.

Prom Dr. Edward 1994, Estimate.

DearBiol. Aver.: I cannot answer you what complaints
I have cursed with your Pills better than to say all that we
ever treat with a puryaite medicine. I place great dependence on an effectual cathartic in my daily contest with
disease, and believing as I do that your Pills afford us the
best we have, I of course value them highly.

Dr. J. C. Arks. Sir: I have been repeatedly cured of the worst headuche any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect,

Cierk of Steamer Clarion.

Bilious Disorders - Liver Complaints. Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New Fork City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEFARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1850.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours. ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best sperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrham. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pustor of Advent Church, Boston.
Dr. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES. Warsaw, Wyoming Co., N. Y., Oct. 24, 1855.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the foundains of the blood, JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression,
Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Youghn, Montred, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe conficuency to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural scere tion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church Provide Rec. Dr. Haloket, of the Methodist Spin. Church.

PULASKI HOURS Savannah, Ga., Jan. 6, 1856.

HONDEYD SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating nearanging pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grow worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
