HEALTH AND PURE BLOOD ARE INSEPARABLE.—Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will so surely find out and cleanse these impurities from the system, that disease cannot exist. So simple and innocent are the herbs and plants that compose them that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are made are so griping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitutions that they think medicine cannot help them; let not even these despair; incredulity and skepticism is overthrown by a mass of testimony which is truly irresistible.—At first the virtues ascribed to these MOUNTAIN HERB PILLS were deemed fabulous.—The public has been so often deceived that they could not believe the simple truths advanced by their discoverer. Yet facts undeniable, attested by witnesses of the highest character and respectability, have proved, and are proving each day, the virtues of this "mighty healer." They mark by their miraculous efficacy and power a new era in medicine.

OBITUARY.

By request of the parents of the deceased, it is made my painful duty to record the death of Wm. C. M., son of Archibald and Matilda Blair, who died on Thursday, 6th inst., in the 18th year of his age. His disease was Typhoid fever. After a severe illness of six weeks our young friend Blair was taken to his long home. Thus in the morning of life, hope and happiness, another mortal has been called from the busy scenes of earth, by that messenger whose summons we all must eventually obey. Educated in the principles of the Christian religion, he had been able to resist the siren song of temptation, and those snares which so often beset the pathway of youth. From childhood he was remarkable for his evenness of temper, amiable disposition, and sedate and unobtrusive manner. As in health, so in sickness, the same quiet, meek and uncomplaining spirit prevailed. Not a murmur was heard from his lips. Not a complaint was dropped from his tongue. By his moral virtues and manly principles, he gained the esteem of all that knew him. But the young man, with all his bright hopes and golden visions of the future, went down to the tomb, under the blight of a disease that could not be arrested. The flower of Spring fell to the ground before the winds of summer had scarcely blown upon it. He has gone to dwell above; and his memory will be cherished in the hearts that loved him. The family chain is broken, but it is their sweet privilege to believe that all the severed links shall join again, to be sundered no more forever.

"Man goeth to his long home."

"Yes, men, like dews, and flowers, and morning spray,
Dwell briefly here below—then pass away."
"His languishing head is at rest,
Its aching and thinking are o'er,
His quiet, immovable breast,
Is heaved by afflictions no more;
His heart is no more the seat
Of sickness and torturing pain,
It ceases to flutter and beat,
It never shall flutter again;
His eyes he so seldom could close,
By sorrow forbidden to sleep,
Sealed up in a lengthy repose,
Have strangely forgotten to weep.
Those fountains can yield no supplies,
Those hollows from waters are free,
The tears are all wiped from his eyes,
And evil he never shall see."

T. L. GROWDEN.

Cumberland Valley, June 17th, 1861.

On the 22d inst., at the residence of Mrs. M'Causlin, of this place, William Cessna, in the 67th year of his age. He was born in Friend's Cove, in this County, and universally esteemed as a sincere, honest man. After some week's illness, he suddenly departed this life having made his peace with his God and exhibited in his closing moments, striking evidence of his true Christian faith hope and love, which showed that the good servant went forth *to enter into the joy of his Lord*. Having been an old soldier (in the war of 1812) he was buried with the honors of war, at the Catholic Cemetery, where a large concourse assembled to pay the last sad offices to his remains.

A NEW DEMOCRATIC MORNING PAPER.
"THE UNION."

With a view to meet a universally admitted want, the undersigned will issue on Monday, the 1st of July next, a Morning Penny Paper, to be called "THE UNION."

The great mission of the Democratic Party, which has ever stood as the bulwark of the Union and the Champion of the CONSTITUTION, renders its entire unity and bold attitude in the hour of National peril a matter of vital concern. The pending struggle is not less for the maintenance of a United Country than for the Perpetuation of Democratic Principles, as expounded by Jefferson and Jackson. The most momentous results hang upon the issue. Mere party questions are for the time by common consent adjourned. The past is dead, save in its lessons of experience.

The Democratic hosts have not shrunk from their full share in the responsibilities and dangers of the emergency. They have rallied with one accord around the standard of our common country. But the occasion imposes other duties. The Government will demand, and receive the willing support of every patriot, in its efforts to vindicate the National honor and re-assert the National authority; but the Preservation of Constitutional Liberty rests more with the people than with Congresses and Cabinets. Vigilance and Unity are therefore specially requisite in the present juncture.

It is the purpose of the Proprietors to make "THE UNION," in every respect a first-class Journal.—The Democracy of the whole State feel the need of a bold and vigorous Metropolitan daily; and no effort will be spared to render THE UNION both popular and efficient as a newspaper, and as a fearless exponent of the great principles for which the Democratic party have ever contended, and which are now so unhappily imperilled.

The Proprietors have perfected such arrangements as will place the enterprise, from the beginning, upon a substantial business basis, with abundant means to make a Newspaper second in interest and ability to no other in the city; and while the paper will be fearlessly Democratic, it will sedulously avoid all faction, as the deadliest bane to party efficiency.

We look to the Democratic Masses for support, and shall labor to make THE UNION in every way worthy their confidence and liberal patronage, as a fresh, readable and fearless Journal.

JUDSON'S
Mountain Herb Pills.

ABOVE, we present you with a perfect likeness of Tecuseo, a chief of a tribe of the strange aztec Nation that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.

The Inventor and Manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was during this time the "MOUNTAIN HERB PILLS" were discovered. A very interesting account of his adventures there you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

The blood is the life fluid and when any foreign or unhealthy matter gets into it, it is carried to every part and every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and as the circulation is feeble, the lungs become clogged with the poison as matter forms, a cough—and all forms of disease arise from the one fountain head of life—the blood! As if you had thrown a stone in the earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood flow to every part, and leave its sting behind. All the passages become obstructed, thus leaving the obstruction to remain, and cause disease and death.

These pills not only purify the blood, but remove from the secretions of the body, those acrid, corrosive matters known as

CURE FOR BILIOUS DISORDERS,

Liver Complaint, Sick Headache, &c. This great Purifying Medicine expels from the system all the seeds of disease, and regulates all the functions of the body, making it fluent, clearing and rejuvenating the whole mass.

Pleasant indeed, it is to know that we are able to place within your reach a medicine like the "Mountain Herb Pills," that will pass directly to the source of disease. Through the blood and by the use of these pills you regain that none but men who are known in community as honest, reliable and prompt, in using their promises and scorning to use others' goods, without endeavoring, at least, to render in equivalent.

Judson's Pills are the Best Remedy in existence for the following Complaints:

Bowel Complaints,	*Debility,*	*Disease of Kidneys,*
Coughs,	*Dropsy and Ague,*	*Liver Complaints,*
Colds,	*Female Complaints,*	*Diseases of Spleen,*
Chest Diseases,	*Headache,*	*Piles,*
Costiveness,	*Indigestion,*	*Stone and Gravel.*
Impurity of Blood,	*Pleurisy,*	*Sores and Scrofula.*
Jaundice,	*Inflammation,*	*Worms,*
Dropsy,		

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the stomach, and bowels, and bring the rich current of health to the pale cheek.

☞ The Plants and Herbs of which these Pills are made, were discovered in a very interesting way among the Mountains, a tribe of Aborigines in Mexico. See the Almanac of our Agent and you will read with delight, the very interesting account as to cognizance of the "GREAT MEDICINE" of the Aztecs.

Observe.—*The Mountain Herb Pills are put up in a Beautiful Wrapper. Each box is sealed up, and retail at 25 cents per box. All genuine, have the signature of B. L. JUDSON & Co., on each box.*

JUDSON'S
Mountain Herb Pills.

AN APERIENT AND STOMACHIC PREPARATION of IRON purified of Oxygen and Carbone by combustion in Hydrogen. Sanctioned by the highest medical authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, nervousness and otherwise sickly complexions indicate its necessity in almost every conceivable case. It has proved itself in all maladies in which it has been tried, and proved absolutely curative in each of the following complaints, viz:

In Debility, Nervous Affections, Emanation, Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Menstruation, Whites, Chlorosis, Liver Complaint Chronic Headaches, Rheumatism, Intermittent Fever, Pimples on the Face, &c.

In cases of *General Debility*, whether the result of acute disease or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, anguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion so ir and exercise for which the physician has name.

In *Nervous Affections* of all kinds, and for reasons familiar to medical men, the operation of this preparation of Iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and over-heating; and gently regularly aperient, even in the most obstinate cases of costiveness, without ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for *Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In *Dyspepsia*, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases.

In unchecked *Diarrhœa*, even when advanced to Dysentery, confirmed, emaciating and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate *Incipient Consumption*, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In *Scrofulous Tuberculosis*, this medicated iron has had to more the good effect of the most cautiously balanced preparations of iodine, without any of their well-known liabilities.

The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.

In *Rheumatism*, both chronic and inflammatory, in the latter, however, more decidedly, it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness.

No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt happy and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

Put up in neat flat metal boxes containing 50 pills price 50 cents per box, for sale by druggists and dealers. Will be sent free to any address, on receipt of the price.

LIGHTE & BRADBURYS'
PATENT INSULATED FULL IRON FRAME
NEW SCALE, GRAND, AND SQUARE
PIANO FORTES.

THE INSULATED FRAME preserves the original tone of the instrument in all its purity, securing it for all time against that most disagreeable nequality of tone invariably found in all other Iron Frame Piano Fortes. It greatly strengthens the case, and thus keeps the Piano Forte much longer in tune. It gives the instrument a much fuller, richer, and sweeter tone. It adapts the Piano to all climates, and to all changes of atmosphere, and in all respects it is pronounced by our best "artistes" the greatest improvement of the age in Piano Forte construction; producing an instrument acknowledged to be superior to all others made in this country or Europe.

A few testimonials from some of the most eminent Pianists and Musician in the world, in regard to the Superiority of our New Scale Patent Insulated Piano Fortes.

"I have examined the Piano Fortes of Lighte & Bradbury's with entire satisfaction. I know not that there are any others better, either in our own country or elsewhere.

"Dr. LOWELL MASON."

"In clearness, richness, and volume of tone, delicacy, elasticity of touch, and fine repeating action, I have never played upon their equal.

"H. A. WOLLENHAUPT."

"In volume, richness, evenness and purity of tone, and in delicacy of touch, they certainly excel, and in that beautiful singing quality so desirable, yet so seldom found.

WILLIAM MASON."

"I have never played upon so rich and heavy a tone Square Piano Forte.

"ARTHUR NAPOLEON."

"I am astonished and delighted with the New Scale Iron Frame Piano Fortes made by you. There must be a splendid future for Lighte & Bradbury's Piano Fortes.

"GEO. F. ROOT."

"I have never played upon so fine an instrument.

"GEO. F. BRISTOW."

"I consider them as to beauty, richness, fullness, and equality of tone, as well as their agreeable, elastic touch, equal, if not superior, to any Pianos made in this country or Europe

KARL WELS."

"They have all the requirements for a superior interpretation of both classical and modern compositions.

"MAURICE STRAKOSH."

"It affords me pleasure to add my testimony to the many artistes who speak in the highest terms of the superior excellence of your New Scale Patent Insulated Iron Frame Piano Fortes, and I must say that your New Scale very far surpasses all your former efforts, producing an instrument far superior in all the excellencies that constitute a perfect Piano Forte, to any with which I am acquainted.

"THEO. EISFELD."

"Having examined your New Scale Iron Frame Pianos, we must express our delight and pleasure at their superior excellence. For their peculiar rich volume of tone, fine elastic touch, and in all the requisites necessary for perfection in the instrument, we must say, in all our experience, we have seen nothing to compare with them, and we can most cordially recommend them to our friends and the public

"CHAS. FRADEL."
"CARL BERGMAN."

"I the much pleasure in giving my testimony in favor of the beautiful Pianos which I have recently seen made by your firm. In power, quantity, and equality of tone, they certainly excel; while for that peculiarly rich, singing tone, that is so invaluable as an accompaniment to the voice, sustaining and blending with it, I have rarely met with their equal.

"C. BASSINI."

"It is with pleasure I give my testimony to the excellence of your Pianos in general, and especial to the admirable new invention of Mr. Lighte, my improvement which I regard as the most important yet made in the manufacture of first-class instruments.

"LOUIS ERNST."

"I take pleasure in stating my favorable opinion of your New Scale Iron Frame Piano Fortes. Among many superior Piano Fortes manufactured in New York, they certainly must rank second to none of them for strength, purity, and richness of tone, together with extraordinary vibratory qualities. I have also had frequent opportunities, in the schools, during the past four years, to notice the durability of your instruments, and this under severe and unremitted trials.

"GEO. H. CURTIS."

"The high reputation which they have obtained for their fine brilliant tone pleasant touch and power, have given them the preference over those of all other manufactures, in the Public Schools of New York, in which over one hundred are now in daily use, some twelve or fifteen of which are in departments where I have had the pleasure of teaching, and where I have used them for the last five years.

"MARCUS COLBURN."

"Being pleased with your steady progress in improving the quality of your Pianos, I cannot refrain from saying to you, after some fourteen years knowledge of them, that the New Scale with Iron Frame, which I have seen, I think the best Piano I ever saw. I say this after having purchased over two hundred of your Piano Fortes.

"P. H. NASH."
