Dear Str:—The American Watch, No. 9240,
presented me by the New York Chess Club, proved
to be a most reliable and accurate time-keeper—almost unnecessarily so for ordinary purposes. It is now nearly five months since it came into my pos-session, and during that period its variation from standard time has been but a trifle more than half a minute. The following is a record of its performance. It was set June 3d correctly:

Besudes a large amount of general religious intelligence, the Sunday-School Times contains all the most recent Sunday-School news. It reports all the important CONVENTIONS of Sunday-school teachers. It discusses the questions which most interest and perplex teachers and parents, respecting the various methods of religious training for the young, the means of gaining the attention and the affections of children, and especially of securing their conversion and bringing them to Christ. The subject of Mission-Schools for cities, and of Sunday-school missionary work for the interior, is thoroughly canvassed. Indeed, there is hardly a topic of practical importance to any who are interested in the subject of religious education, which is not here brought under consideration from week to not here brought under consideration from week to

let the fluids move on unobstructed in health again. They stimulate the functions for the body-into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstruct its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

disease, and believing as I do that your Pills afford us the
best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

Dr. J. C. ATEE. Bir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise Trom a foul stomach, which they cleanse at once.

Yours with great respect,

Bilious Disorders — Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for deraugements of that organ. Indeed, I have seldom found a case of billous disease so obstinute that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhead. Their sugar-coating makes them very acceptable and convenient for the use of women and children. Dysentery, Diarrhea, Relax, Worms.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advert Church, Boston.

Dr. Aven: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Constignation, Cestiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of conteness. If others of our fraternity have found them as efficacious as I have, they should join me in preclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe continued to originate in the liver, but your Pills affect that organ and cure the disease. From Mrs. E. Swart, Physician and Midwife, Boston.

From Mrs. E. Suart, Physician and Madicfe, Enton.
Ind one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients. From the Rev. Dr. Hawkes, of the Methodist Bois. Church. From the Rev. Dr. Hawket, of the Methodist Epit. Church.

PULASKI HOUE, Savannah, 6-a., Jan. 6, 1856.

HOSORED Siz: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating nearengiet points, which ended in chronic rheumcitims. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your effects were slow, but suc. I ried your Fille. Their effects were slow, but suc. By persevering in the use of them, I am now unitrely weil.
