LINES.

Where Potomac rolls his wave, Which unchanged, and changeless, flows-There the Hero, in his grave, Neither strife, nor battle knows.

Let the cannons thunder on, 'Til they startle all the shore— He will hear and heed not one, Sleeping there forevermore.

Once he led a brother-band, And they came from South and North, Fighting for their native land, And for all that Freedom's worth.

And together there they lie, Side by side, on hill and plain, Neath New England's azure sky, And along the Southern main.

O'er their graves the legions pour, Sons of those who slumber there, In the madness of the hour, Heedless of the things that were.

Back ! my brothers ! cease your strife,

Ere their dust you desecrate;-Here, for Freedom, gave they life -Here, for you, they met their fate ! Back ! O Sons of patriot Sires !

Pause, before the deed is done. That will light War's bloody fires-Fiercer none since Time begun.

Oh ! shame not the glorious dead ! Let them not have died vain ! Calm the hearts, to hatred wed, Bidding love return again. ANOTHER OF THE TWENTY.
