ACCURACY, DURABILITY AND RELIABILin every conceivable manner, and have proved themselves to be the most satisfactory time pieces ever offered to the public.

This result has been brought about by a strict ap-

AYER'S PECTORAL CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelunic to serious filmess. Some 5t of sickness is creening mean you.

From a Forwarding Merchant of St. Louis, F.b. 4, 1856 Dr. Ayes: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous scores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pinples on her skit and in her hair. After our child was cured, she also tried your Pills, and they have cured have more provided in the provided that they have cured have a MORGRIDGE.

As a Family Physic.

From Dr. E. W. Curturight, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any enthactic we possess. They are mild but very certain and effectual in their action on the howels, which makes them invaluable to us in the daily teatment of disease.

Headache, Siek Headache, Foul Stomach.

From Dr. Edward Eoyd, Bullimore.

Dean Buo. Aven: I cannot answer you what complaints
I have cured with your Pills better than to say all that we
ever treat with a purputhe medicine. I place great depandance on an effectual cathartic in my daily contest with
disease, and believing as I do that your Pills afford us the
best we have, I of course value them highly.

Demander By War 1 1855.

Dr. J. C. Aver. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pilis. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect, ED. W. PRERLE, Clerk of Steamer Clarion.

Billous Disorders - Liver Complaints. Fig. 19. The decides—Liver Complaints.

From Dr. Theodore Ball, of Nav York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial officia upon the Liver very marked indeed. They have in my practice proved more effectual for the curse of bilous complaints than any one remedy I can mention. I sincerely regione that we have at length a pumpative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856.

Sin: I have used your Fills in my general and hospital practice ever since you reade them, and cannot hesitate to say they are the best catherie we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstimate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilons dysenlery and distribuce. Their sugar-coating makes them very acceptable and convenient for the use of women and children.
